Nathalie O'Donald from Professional Development Services

It is such a pleasure to be part of the CES family and it feels like a full circle moment as I have enjoyed being a parent at Six to Six when my oldest daughter and I joined a playgroup led by Suzanne Clement 17 years ago. We enjoy giving back as a family and since Six to Six holds a special place in our hearts, we were honored to participate in the CES 5K in 2021.

I am originally from Cote D'Ivoire, West Africa and am an avid traveler, nature lover, and writer. Family and education are everything to me and the reason why I chose to stay home raising my girls until my youngest daughter started first grade. Our family enjoys watching Disney, Marvel or DC shows/movies, playing board games, putting together a challenging puzzle, going on adventures hiking or running on some trails around Connecticut. We love cooking meals inspired by cultures from around the world and we are always on the hunt for delicious creameries around Connecticut on our weekly ice cream tradition. So far, our favorites ice cream spots are Mystic Drawbridge Ice Cream and Walnut Beach Creamery.

Community service is a big part of my upbringing so I am a proud member of Trumbull Rotary, a Girl Scout helper, a Room mom, an International Festival committee member and book fair volunteer at my girls' schools. My husband and I are Sunday school volunteers and marriage mentors at our local church.

All 3 of my girls are athletes so I take pride as their #1 cheerleader and screamer at every soccer game and track meet I attend. I am a lifelong Ivory Coast soccer fanatic and proud to say we are the Champions of this year African Cup Nations. I love sharing my Ivorian culture every opportunity I get and I am honored to have taught French as an after-school program at our local elementary school over the years and performed African dance with my girls at the elementary annual International Festival. Our family adventures have seen us visiting most of the states in the East Coast, from Vermont to Florida and Illinois but one of our favorite spots to get away annually is my husband's home island of Barbados. Now that our girls are older we are already packed and ready to sail away on cruises to visit all 7 continents, if possible.

In my current position as PDS Administrative Secretary and Workshop Coordinator, I look forward to working along my amazing PDS team to serve administrators, educators and students and as Kevin Hall put it simply: "A life of significance is about serving those who need your gifts, your leadership, your purpose" and it's an honor to do just that here at PDS.
