According to federal regulations, the supplier whose name and address appear on the package is the responsible party. Bidders are expected to take immediate action to correct any situation in which product integrity is violated.
12. **DELIVERY TIME:** Acceptable delivery times will be between 6:30 a.m. and 2:30 p.m. Deliveries are to be made to individual schools on a weekly basis. No minimum dollar or case amounts shall be required for the weekly delivery. Additionally, the CJLP Group may occasionally request additional deliveries or special arrangements from time to time and awarded bidder shall respond with no extra charge.

Specific delivery dates and times shall be negotiated with each School Nutrition Director.

13. **DELIVERY PROCEDURES:** Drivers and helpers shall deliver merchandise into designated storage areas. Drivers or helpers shall not be required to store merchandise on shelves. Drivers may request the authorized school receiver to verify the accuracy of quantities delivered. Shortages, damages and substitutions shall be noted by the driver to the receiver and noted on the delivery ticket. This signature will only indicate that the order has been received and will not indicate that the invoice has been reconciled to the actual items delivered. All products shall be maintained at their proper temperature throughout their staging, loading, transport and delivery. All of the vendor's facilities and delivery vehicles must conform to local, state and federal rules and regulations regarding sanitation and are subject to inspection by the CJLP Group. Each driver is to sign in at each school cafeteria upon entering the building. Invoices will be left at each school.

It is understood that deliveries are not to be made when school is not in session with exception of the opening of school. Calendars will be provided (upon request) to the successful bidders to designate off-school days. When school is cancelled because of inclement weather or any other emergency and the delivery truck is already in route, upon arrival the company driver must contact the School Nutrition Director by telephone for instructions. The school system reserves the right to accept the delivery, authorize another acceptance signature, or to return the delivery. If the truck has

not left the distributor's warehouse, the delivery will be made on the next day that schools are re-opened unless notified otherwise.

An emergency delivery communication plan is to be completed and provided for each County of the CJLP Group upon award.

Returns shall be restocked at no charge to the CJLP Group.

14. **DELIVERY FAILURE:** If the vendor fails to deliver an order, the vendor shall take corrective action by either making a special delivery to the school or by arranging for delivery by another vendor. The vendor shall incur any extra cost difference between the price of the originally ordered items and the price of the alternate vendor. This delivery will be made within 48 hours of the original delivery day. The vendor will provide any overtime pay incurred by any of the school district employees if a late delivery occurs.

NOTE: The awarded bidder is responsible for ensuring all the delivery personnel have the correct item numbers and prices loaded into their inventory system upon making delivery to the facility. Items delivered that were not ordered, loaded incorrectly or labeled incorrectly shall be returned without cost to the CJLP Group.

15. **PAYMENTS:** Each school district and/or school shall be responsible for making payment to the awarded bidder. Normally, school districts pay bills only after approval from the Board of Education which meets monthly.

16. **AUDITS:**

- a. The CJLP Group reserves the right to make audits of awarded bidder's costs records as follows:
 - i. Prior to award of contract
 - ii. Prior to approval of request for price change and following any allowed price change.

 - iv. An unscheduled audit one time during each one year bid period upon appropriate notice given to awarded bidder.
- b. The awarded bidder shall be given notice of the intent of the CJLP Group to conduct an audit a minimum of two weeks in advance.
- c. The audit may be conducted electronically via the internet or at a site mutually agreeable to the CJLP Group and the awarded bidder.

If not destroyed or consumed in testing or evaluating, or required in connection with the award, furnished samples will, upon request, be returned at the bidder's expense. Right is reserved to mutilate or destroy any samples if considered necessary for testing purposes.
19. It is the policy of the CJLP group that employees do not purchase any items for themselves at school, therefore, we expect your company to comply with this policy.
20. In the event that the vendor should, by mistake, deliver and invoice items at the wrong price, the school district shall notify said vendor within ten (10) working days of the invoice.
