Principal's Message

Just one more week left in the 3rd quarter. I recommend that you check with your child and encourage them to communicate with the teachers should it be necessary for anything they can still do to demonstrate proficiency on those skills or standards that have been a part of their 3rd quarter classes. After next week, teachers will be determining students' grades and those will be viewable on AERIES late the following week. Just a reminder that these grades will either be averaged or are a running grade that will be finalized with the end of the third quarter to determine the grades that will go onto students' transcripts and become part of their permanent record. Please direct any questions first to your child about their grades and then to their teacher.

Spring Musical

Yesterday, I had the extreme pleasure of catching two musical numbers from the Spring musical, *The Addams Family*. From the bit that I saw, it looks and sounds like a great show. I can't wait to see it in its entirety. I encourage everyone to go. The show will run this weekend and next. Showtimes include: March 15, 16, 21, 22, and 23 at 7:00 pm; and Sunday, March 17 for the only matinee at 2:00 pm. All performances are in the Frederick L. Chacon Little Theater in the B-Building of AHS. Tickets can be purchased online or at the door if still available. Come on out and enjoy the show. Tickets can be purchased online at <https://GOFAN.CO/APP/SCHOOL/CA22847>

CAASPP

From Tuesday, 3/26 - Friday, 3/29, we are giving the California Assessment of Student Performance and Progress, or CAASPP. This is the required state academic program. CAASPP is intended to provide information that can be used to monitor student progress and ensure that all students leave high school ready for college and career. CAASPP includes computer adaptive tests in English–Language Arts and Mathematics, as well as Science for all juniors. 11th grade students in Independent Study are required to come in for testing.

No matter what grade level your student is in, please read this letter carefully as there are schedule implications for all students. Monday, 3/25, is a regular 0-6 period school day. CAASPP testing is Tuesday, 3/26 - Friday, 3/29.

If you have a junior, please encourage them to perform at their very best so we can continue our tradition of academic excellence. Strong results in both English and Math can allow students to opt out of placement tests if they attend a CSU for college. Additionally, the results are used site and district-wide to evaluate the effectiveness of our educational programs.

Implications of this schedule for 9th, 10th, and 12th graders: report to school at 8:30 on Monday 3/25. Class starts at 11:18am on Tuesday - Friday of that week. 9th, 10th, and 12th graders are not allowed on campus before 11am from Tuesday, March 26 -Friday, March 29, with the exception of the Senior Breakfast on Wednesday, March 27 when seniors are welcome to come the New Gym from 9:00 – 11:00.

Implications for 11th graders: report to school at the regular time (by 8:30am) every day of that week. Independent study students in 11th grade report to testing 8:30am-11:00am. CAASPP testing for all 11th graders is 8:30-11:00am Tuesday, 3/26-Friday, 3/29.

Implications for zero period: Zero period will only meet 3 times that week—at 7:30am on Monday, 3/27, and at 10:04am on Tuesday, 3/26, and Thursday, 3/28.

Monday, 3/25, will be a regular 0-6 period day.

All 11th graders report at 8:30 am each day. Senior breakfast 9:00-11:00 am on Wednesday, 3/27
