PRESCHOOL PROGRAM

Our mission is to lay the foundation for our preschoolers to be passionate about learning, ready for Kindergarten, and set them up for success in receiving a world class education. Students are provided opportunities to problem solve, interact with peers, identify emotions and learn to self-regulate and become more independent thinkers. Students grow cognitively through developmentally appropriate practices based on the Early Learning Standards. Growth and development are measured through Teaching Strategies Gold. Students gain these skills through intentional play, vocabulary enrichment, consistent schedules, circle time, developmentally appropriate centers, and individualized lessons with their teacher and various staff. Through intentional play our students learn to follow instructions, practice active listening, sharing, taking turns, negotiating and cooperating skills. We make learning fun! If you have any questions about our preschool program, please contact the preschool at 623-925-3921.

REGISTER TO VOTE

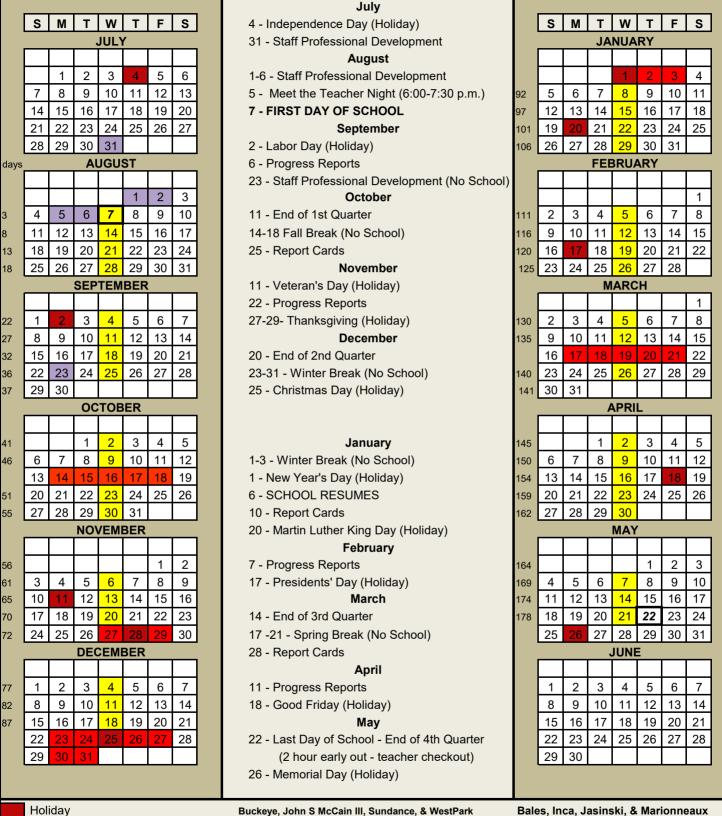

In the United States, voter registration is the responsibility of the people, and only 70 percent of Americans who are eligible to vote have registered. Please support your child(ren)'s school by registering to vote. For more information on registering to vote, please go to http://www.dmv.org/az-arizona/voter-registration.php.
