Hello!

We replaced three AEDs in the district this year. Here's the information for the ones no longer in service:

All three have the same description and model number- Philips HeartStart Defibrillator Model # M5066A

Asset tag- 006802, Serial # A13F-01693

Asset tag- 006801, Serial # A13H-07452

Asset tag- 006495, Serial # A13D-00407

I will send them to Kelly. Thanks!
