

APRIL NEWS

Earth Day Celebration

Celebrate Earth Day with The Adler Arts Center! Help create a group art installation, learn how you can be more sustainable at home, help clear litter from the woods, and more! This is a FREE, family friendly event. April 27, 2-4:30pm. Registration is recommended: <https://adlercenter.org/education-action-day/>

ART EXHIBITION OPENS

The Adler Center welcomes Artist Member and Adler Art Faculty Philip Schorn's exhibition "The Fine Art of Color Pencil," celebrating the world of color pencil. From floral renderings at Chicago Botanical Gardens to expressive pencil paintings in the style of Monet, this show is the work of a master. Opening Reception: April 5, 6-8pm; Gallery Night: April 18, 6-7pm

SPRING ART CLASSES NOW ENROLLING

It's time to get creative! Youth and adult spring art classes are now enrolling—try your hand at drawing, ceramics, or painting. And we now offer a monthly drop-in Figure & Life Drawing workshop! Classes start the week of April 15th—sign up soon!
