

It's a big DEAL!

Daily Elementary Art Lesson

Day 7

Color Scavenger Hunt

This lesson comes to you courtesy of Scenic Elementary's Artist-in-Residence, Savannah Ashmore.

You will need:
One sheet of paper
Imagination

The elements of art are to art what the ABCs are to reading. One of the elements of art is COLOR. There are a lot of different colors all around us! Noticing the colors can help us also notice all of the beauty around us.

Your project:

Use the Colors above to find things around you that match.

Look around your house or back yard. You could also ask an adult to go on a walk with you!

Look carefully and notice all of the color that surrounds you in your house and in nature.

You could make a collage with the items that you find. Just glue them in a pretty arrangement on a piece of paper.

Hang your work somewhere for everyone in your family to enjoy!
