

It's a big DEAL!

Daily Elementary Art Lesson

Day 11

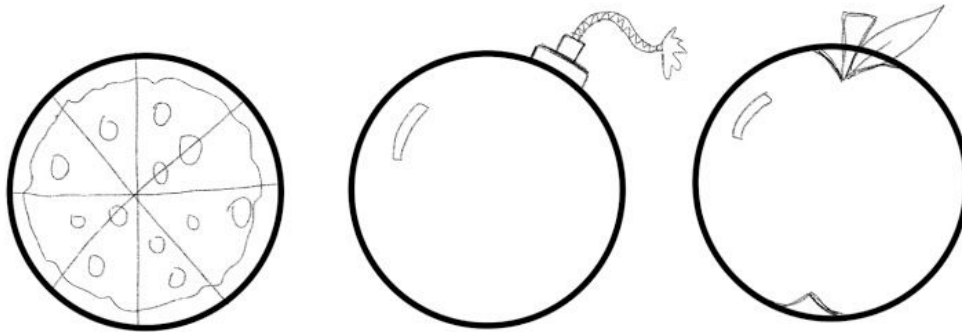

The Circle Game

This lesson comes to you courtesy of Scenic Elementary's Artist-in-Residence, Savannah Ashmore.

You will need:
One sheet of paper
Pencil
Markers, crayons or
colored pencils
Imagination

The elements of art are to art what the ABCs are to reading. Two of the elements of art are COLOR and LINE.

Using color or line or both, you can create something new and exciting out of anything!

Your project:

Turn a simple circle into something new and exciting!

1. Print the next page OR draw a bunch of circles.
2. What can you turn those circles into? Be creative!
3. Use a writing utensil to create something out of the circles.

Let your family members try this. Make a sheet of circles for each of them, and see what ideas they have.

Hang everyone's work somewhere to enjoy!
