

It's a big DEAL!

Daily Elementary Art Lesson

Day 13

Colorado Face Mask Design Challenge

Everywhere you look, you see people in these funny face masks! They may look silly, but they are super important—they are helping us all stay healthy by keeping germs from spreading.

Colorado Creative Industries is [sponsoring a contest](#) for Colorado kids of all ages: create your own design for a face mask.

Be creative. What would you like your friends to see on a mask in your school, your neighborhood, at home?

You will need:
Paper
Paint, markers or
crayons

Some of the submitted designs will be featured on their Facebook page, and a select few will be printed on real face masks produced by Colorado companies! [Maybe we'll all be wearing YOUR design!](#)

2. You will find a template there that shows how big your design should be.
3. Use bold, bright colors in your design, and completely fill it in.
4. Scan or take a digital photo, save it as a jpg or png file, and rename it with the artist's name: first_last.jpg
5. Submit using the online form.

Stay healthy! Wear a mask whenever you leave your house or yard!
