Welcome BACK

Welcome back to a sense of normalcy. Unlike last year, masks are no longer mandatory, however students had the choice to wear them. No restrictions were in place for distancing or visiting lockers. There was no limit to how many people could attend sporting events or activities. In order to encourage life returning to normal, the administration agreed to push open campus back to second semester for seniors only. This also meant students would spend more time together during lunch, study hall and Mass.

Some new faces to the building include brothers and sisters of the Pro Ecclesia Sancta order, six staff members, 47 students, and 168 freshman. Students looked forward to activities such as homecoming, All Schools Mass and formal because of the traditions that are included.

1. Senior boys play blindfolded dodgeball during Senior Leadership Day at the beginning of August.
2. Students gather on the field at the end of the first week of school for The Well.
3. The varsity girls soccer team gathers for a prayer after a home game.

O'Gorman High School was named a 2021 National Blue Ribbon School for the fourth time. Previous wins include 1985, 2005 and 2014. This honor is given to only 50 schools per year and as of 2021, only 10 high schools (public or private) had been honored with this award four times.

In order to be considered for this award, ACT scores must be in the top 15% in the nation. O'Gorman's average composite is 26.4. The application process also requires schools to demonstrate excellence in areas including climate and culture, curriculum and instruction, academic support, leadership, extra-curricular activities, and more. "Every single O'Gorman student and staff played a role in us winning this award. I have never been more proud to be an O'Gorman Knight!" said Principal Joan Mahoney.

This year six new faces joined the staff: Ms. Soukup teaching Spanish, Ms. Myers teaching English, Mr. Zwach teaching College Computer Science, Mr. Engbers directing choir and *Ovation!*, Mr. Lehn in counseling and Ms. VandenBos in the front office.

The Theology department also welcomed the Pro Ecclesia Sancta religious order. The clergy, brought in by Bishop Donald DeGrood, consists of Sr. Eileen, Sr. Lynn, Br. Brian, Br. Johannes, Br. Kevin, Br. David and Fr. Juan Carlos.

The O'Gorman Knights had an exciting fall season full of state appearances and titles. The girl's cross country team placed first at state for the second year in a row, with senior Alea Hardie claiming the individual state title for the third time. Hardie was also named the Cross Country Girls Gatorade Player of the Year. The boy's golf team claimed the first place title over the Lincoln Patriots in a two-hole playoff with junior Radley Mauney sinking a ten-foot putt to birdie on the last hole. Boys soccer returned to the state championship facing off against Yankton, taking home the first runner-up trophy. Volleyball, with back-to-back championship wins, beat Washington in the final round after being down two sets to zero. They came back to win three straight sets. Junior Bergen Reilly participated in the U-18 World Volleyball Championship with Team USA where she brought home a bronze medal. Reilly was also named the Gatorade Player of the Year for the second year in a row. Competitive cheer was in a constant battle with Harrisburg and Jefferson throughout the season. They triumphantly came out on top to bring home yet another state title for O'Gorman.

During the winter season activities, the gymnastics team brought home their first state title since 2005. Junior Maeve Boetel broke the All-Around school record four times during the season, twice at state within 24 hours. Junior Audrey Meyer tied the school floor record. Wrestling had its inaugural year for a female team. Girls basketball added to the state championship wall with a win over Rapid City Stevens in the Championship. They ended their season with a 21-3 record. Boys finished as first runner up after falling to the undefeated Roosevelt Rough Riders. In the semi-final round, the Knights beat the Washington Warriors in an overtime, buzzer-beater basket.

A rainy and chilly start to the spring season postponed multiple golf invites, tennis matches and track meets. Midway through April, the weather began to warm up and the students took to the fields once again. Boys tennis took 3rd at state by claiming third in almost every event except for Will Koziara's singles win. The girl's track and field team claimed the first place title for the second year in a row with numerous of the senior girls taking first in individual titles. Senior Alea Hardie broke the AA Girls 800 meter run state record. Seniors Megan VanDenHemel won the shot put with Avery Wittry taking second and winning the discus. Wittry was named the field MVP and Alea Hardie was named the track MVP. Junior Audrey Meyer claimed the 100 meter hurdles gold. Girls golf placed 6th with senior Lauren Sutcliffe taking home the individual silver.

Every O'Gorman football player has a small sticker on the back of their helmet in honor of classmate, Connor Roemen, who was involved in a life changing car accident near the end of summer.

Four days and three attempts later, the Bob Burn's 43rd Dakota Bowl came to a close on Tuesday, August 31. Students, staff and fans returned to McEneaney Field for the second year in a row. Initially set to be played on Saturday, August 28, a flash flood warning, a thunderstorm watch and a tornado warning delayed the game. Players were warming up on the field and fans were trickling into the stadium when an announcement to evacuate due to lightning came from the speakers. Almost instantly, the sky opened up in a downpour sending everyone running for cover. Students and fans took refuge within the walls of the high school while eagerly waiting to hear the verdict from coaching staff Saturday night. Word was back-and-forth about playing later that evening. Around 9 p.m., the decision was made to play at 4 p.m. on Monday, August 30. Students were disappointed, but they kept the spirit alive. On Monday, fans swarmed to the stadium. This time the game started. The Knights were the first to score in the first quarter, but Roosevelt came back with a touchdown in the second quarter with a failed two point conversion. At half time, the Marching Band prepared to take the field when yet another lightning delay was declared with immediate evacuation into the school. The score sat at 7-6 in favor of the Knights. By 8 p.m., the game once again was rescheduled this time to Tuesday, August 31 at 4 p.m. Students and fans once again packed into the stadium Tuesday afternoon. The game started at the beginning of the second half. Emanuel Struck scored for the Knights in the third quarter with a 75-yd touchdown. Andrew Nelson completed a field goal to set the score to 14-6, Knights. With only a few minutes remaining in the fourth quarter, Roosevelt inched into the end zone to score a touchdown, but once again failed on the two point conversion leaving the score at 14-12. The clock ticked down with the ball in the Knight's possession. The final score remained at 14-12, Knights. Following the game, students rushed the field to pray with the team, a beloved tradition O'Gorman students haven't been able to participate in since 2019.

1. The O'Gorman Knights football team takes the field.
2. Seniors Isabella Diaz, Claire Thornton, Clare Carlson and Morgan Mikuska put on rain ponchos after the first downpour.
3. John White flexes after he runs out of the tunnel.

What was the most memorable part of this year's Dakota Bowl?

"The most memorable part of this Dakota Bowl was running from the rain after the game was postponed."

Wyatt Hermesen

"The most memorable part of the Dakota Bowl this year is that we got to have three of them."

Kendra Brung

"I'd say hanging out with my teammates through the storms and seeing the defense stop that final two-point conversion to secure the win."

Ryan Bornhoft

"I would say the most memorable part was not getting to perform with the marching band and instead watching movies in the band room."

Activity division

O'Gorman students are always actively involved with a wide variety of extracurricular activities ranging from band and choir to eSports and HOSA (Health Occupations Students of America). There is a total of 40 activities run by 26 teachers. This year one of the biggest additions to the roster was Knights for a Cure led by Ms. Brose with over 100 active members. One of their first service projects included students making tie blankets for hospice patients.

O'Gorman activity involvement even goes to the state level and beyond. Senior Auburn Brenner was elected the 2021-22 Student Council State Sargent in Arms and senior Ryleigh Tupper was elected the 2021-22 FBLA State Historian. Other huge achievements include junior Raeya Allen performing with the Macy's Great American Marching band color guard for the 2021 Thanksgiving parade in New York City. Numerous students have been named to all-state choir, band and orchestra, too. Junior Bella Savage was selected to participate in the Carnegie Honors Performance Series at Carnegie Hall in New York City in February.

Homecoming Week started off with the advisories competing in the annual door decorating contest for first and second place in categories: Best School Spirit, Most Creative and Best Overall. As always the week consisted of unique and exciting dress down days. The Variety Show was held on Thursday night. The show displayed acts ranging from singing and dancing to band and skits. Outside activities were held on Friday afternoon on the MAC. New additions to the activities include the Class Challenges where students and staff competed for a dress down day in a variety of different events such as the tornado drill, the egg race and a hot dog eating contest. The football game kicked off at 6 p.m. with the O'Gorman Knights taking on Brandon Valley. The Homecoming Post Game Party took place outside of O-Wing with food trucks, games and music.

National Catholic Schools Week is a yearly celebration of Catholic education throughout the United States. This year marked the first All Schools Mass since 2020, due to the COVID-19 pandemic. Bishop Donald DeGrood officiated his first All Schools Mass this year as well. Students across the system celebrated the week with different themes. On Thursday, student council hosted a food drive. Students were asked to bring in a nonperishable food item in exchange for a dress down day. All items were then donated to Feeding South Dakota. On Friday, Feb. 5, all of the Catholic schools gathered at the Augustana Elmen Center to celebrate together. New this year, Bishop DeGrood kept the audience active with students standing to represent their school and see who could be the loudest.

1. Josie Randazzo walks back to her seat after receiving communion.
2. Joseph Van Oeveren, Ethan Brummel, Brayden Carlson, Caden Lewis and Kaden Bunt all smile for a picture before Mass.
3. Haley Berg, Atur Dut and Kaylyn Kennedy show off their college sweatshirts.
4. Bishop DeGrood presents his homily.
5. Seniors join hands for the "Our Father" prayer.

6. Anna Honner and Markus Wentzel show off their future career outfits.
7. Isabella Pankratz and Hannah Ching pose for a picture before Mass.
8. Rochelle Lauret and Corbin Lehn smile for a picture before Mass.
9. Caden Roob smiles while wearing his work from home outfit.
10. Keira McManus receives the Eucharist.

O'Gorman students were thrilled to finally have an all school formal. Last year, each grade hosted their own class formal due to restrictions. This year, the party came back to life at the District with a wonderful DJ and amazing lights. The theme was "A Knight Under the Stars." Lights and decorations were made to mimic stars. The company that hosted the DJ also brought in a photo booth for students to take advantage of. Popular song requested that started off the night include "We Don't Talk About Bruno" from the hit Disney movie "Encanto" and of course "The Cupid Shuffle."

1. Seniors jump to a song.
2. Students dance the "Cupid Shuffle."
3. Ava Brenner, Anna Martin and Nicole Gusso smile for a photo.
4. Junior and senior boys group together for a photo.
5. Lauren Cogley, Alivia Gale, Samuel Pardy and Knute Johnson takes photos before the dance.
6. A group of junior and senior girls smile for a photo.
7. Steven Penlsten, Zackary Christensen, Dominic Johnson, Keagan McEneaney, Matthew Schulte and Jacob Thomas take pictures downtown.
8. Juniors and seniors sing and dance together.

13. Katheryn Dougherty, Claire Thornton, Emily Pals and Morgan Mikuska pose for a photo before the dance.
14. Natalya Barthle and Yueqin Cao stop dancing for a photo.

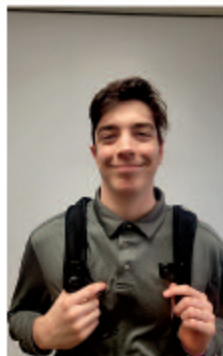

If you could pick the theme for next year, what would it be?

Klaire Oehlke
"My theme for next year might be something along the lines of 'A Picture Perfect Night.'"

Nicholas Gray
"I think they should do a 80's theme next year."

Keagan McInerney
"We could do a knight under the sea."

Atur Dut

The O'Gorman Class of 2022 enjoyed a wonderful night filled with food, friends and music. The Senior Dinner Dance is an event to celebrate the hard work and accomplishments of the seniors. The semi-formal event returned to the downtown Holiday Inn for the first time in three years. Two years ago, in 2020, the dance was canceled due to COVID-19. Last year, the dance turned into a game night hosted at the high school. The students and staff are beyond grateful the occasion was brought back.

The seniors have spent the last six years of their lives together, some even longer if they went to elementary school together. The dance was one last get together before they part ways and move on to the next stage of their lives. The food was delicious and music was amazing. What better night could they ask for? Besides graduation of course!

1. Students line up for the "Cupid Shuffle."

2. Victoria Vazquez, Kaitlyn Lewison and Elena Burgwald take a break at the tables.

3. Andrew Nelson dances across the circle.

4. Trey Heckenlaible, Suzanna Sejnoha and Olivia Muenster are joined by Mr. Nelson on the dance floor.

5. Logan High, Mattia Bocciarelli and Zachary Carlson smile for a photo.

6. A group of seniors pose for a picture by the windows facing the downtown skyline.

7. Amy Longo, Maria Kuchta, Hannah Woody and Gabriel Larson enjoy the delicious food.

8. Maria Dvoracek and Grace Van Overschelde embrace Kathryn Hembree.

A sense of normalcy was bestowed upon the O'Gorman High School student body. It was no longer mandatory to wear masks or socially distance. Desks were placed in nice rows or pods once again to encourage communication and group work. Students were able to rekindle relationships with their friends at sporting events and school-related activities. The Homecoming Dance and winter Formal were brought back, too.

Many class challenges took place throughout the year. Administration revived a former tradition called Holy Hoops – a basketball game between the Priests of the Sioux Falls Diocese and the O'G seniors. The event helps to fundraise for scholarships and promote community involvement. Halftime included a lightning game for the winning class to get a dress down day.

This year, students and staff welcomed 48 new students to the system as well as 11 international students. With the lowest total number of students since 2017, students and staff are able to work more one-on-one.

CLASS OF

Welcome to the class of 2025! High school can be very intimidating - as it is the year of firsts for many, especially for those new to O'Gorman system entirely. The responsibility is greater in high school than it was in middle school from academics to activities. The freshmen are the smallest class in the high school, with only 168 students, but they definitely have plenty of enthusiasm to make up for it! This is their first normal year of school since sixth-grade. They have been enjoying the high school luxuries of sitting in the student section during games and dressing up according to the themes during Homecoming Week. Many of the students are involved in one or more of the several different activities that O'Gorman High School has to offer. High school is a place where many people meet some of their lifelong friends, and where they figure out where they want to go afterwards. This is the class of 2025!

CLASS OF

Welcome to the class of 2024! With the COVID-19 restrictions lessened, the class of 2024 returned to O'Gorman for their first normal year of high school. Having the mask mandate lifted, we can all see each other and the teachers are finally be able to put names to faces. Including all of our new students coming to our school, our class is the largest in the entire high school. Despite the fact that many people say that their sophomore year of high school is the hardest year, our class had an amazing year and passed with flying colors. With their first Winter Formal and Homecoming, and without the Freshman fears, the class of 2024 had a year to remember!

CLASS OF

Welcome to the class of 2023! Junior year is the year that students begin to feel the pressure of college and the feeling that school is never going to end. Students also begin to feel the relief that they only have one year left. The Junior class had a total of 177 students and welcomed 9 new students and had 11 foreign exchange students.

As this class embarked on their Junior year, many began to realize this is the first year of high school that is expected to be like one of many classes before - normal. Junior year is said to be one of the most stressful and important years at O'Gorman. Students are beginning to think about their after high school plans and what they think fits them best. This class is determined to put their best foot forward and finish with success.

Junior Class of 2023, see you next year!

CLASSES of

The O'Gorman High School Class of 2022 is signing off. The seniors have dealt with a lot of change throughout their high school career. Sophomore year ended with virtual schooling due to the COVID-19 pandemic. Junior year was completely in person, but mask mandates and reduced capacities eliminated events. Senior year was the most normal life had been since freshman year. No masks, no max capacities, just a group of kids celebrating their hard work and following their dreams. Sometimes it feels like just yesterday we were little freshman. Looking back, this class has gone through a lot, but they stuck by each other and kept a positive attitude. Thank you for coming on this journey. Here's to the next chapter of their lives. Keep an eye out for our faces in the crowd.

Describe Senioritis.

"The power to lead by example, and show the right way to act."

Matthew Vickweg

"Not wanting to do anything that remotely involves school, besides sports."

Alayna Havard

"Realizing your second chapter is beginning."

Describe Senioritis.

"Having absolutely ZERO motivation for anything school-related and trying to find any excuse to not come to school."

Piper Heitkamp

"GET ME OUT OF SCHOOL NOW."

Owen Connelly

"It's the feeling of dread that you get when you think about going to school everyday and the anticipation to leave."

Lauren Cogley

Describe Senioritis.

"Avoiding getting homework done, sleeping excessively, and hanging out with friends a little too much."

Owen Birkeland

"The feeling of wanting to do ANYTHING other than schoolwork."

Bridgett Robinson

"Not caring about school anymore when you are a senior."

Describe Senioritis.

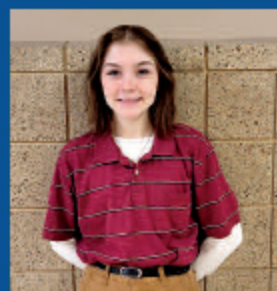

"Losing motivation to do work but still need to do it well enough to graduate."

Sydney Schmidt

"Wanting to go to college."

Dominick Schotten

"We haven't graduated yet so we can't leave, but it already feels like we've been here too long."

Lilly Berthelsen

Describe Senioritis.

"It's like running a marathon and you're so close to being done. You're doing whatever you can to save energy, so you stop paying attention to little things like chromebook charge or extra credit."

Kaden Waddell

"I actually don't have this yet, I am more sad that this is my last year of high school. I love high school I do not want it to be over yet."

Clare Elsing

"Never wanting to do your homework when you get home from school."

STAFF

Introducing the foundation of our school: the staff of O'Gorman High School. It was an eventful year for the staff from winning the Blue Ribbon for the fourth time to bringing home multiple state championships and navigating the lingering COVID-19 pandemic. Staff at O'Gorman always prioritize quality education and overall high school experience for their students. English teacher Sophia Hermanson and Math teacher Ken Lindemann were among those named the 2021 Teachers of Excellence Award Winners. While we have welcomed six new faces, the students and staff said goodbye to longtime teacher Jeff Gordon, who retired after teaching social studies at O'Gorman for 45 years, leaving big shoes to fill.

What advice do you have for the seniors?

"Stay true to yourself and get involved."

Katie Kerkvliet

"Don't forget where you came from. Enjoy wherever you are. Say NO to the negative things, people, and opportunities in life. Say YES to the positive things, people, and opportunities! Treat others with respect and try to walk a mile in their shoes. Call or send a postcard to your parents, grandparents and other family members whenever you get a chance. Reach out to your OG teachers when you need a helping hand. Finally, eat some local cuisine instead of fast food!"

Patrick Frankman

"Seniors, you have been held up by a wonderful support system during your time here. As you enter the next stage of your life, work diligently to choose the next group of people that you surround yourself with and ensure that they are worthy and capable of holding you up! Always remember, you are loved and you are prayed for!"

Kelly Brose

What advice do you have for the seniors?

"Live each day anew, always remember your roots, and find your passion in life and pursue it with great enthusiasm."

Jeff Gordon

"After high school, seniors should pursue some type of post-secondary education or training. They should, however, never be afraid to shift courses or change their path. Life is a journey."

Shannon Poppinga

"My advice for students going off to college is to go to class, get to know your professors, establish a routine, find new friends, keep the faith, and have fun!"

O'Gorman High School said their final goodbyes to the class of 2022 on Saturday, May 21. Seniors, families, friends and staff gathered at the Arena to honor the hard work of these students. A bittersweet moment for parents who are seeing their last child walk across the stage, or in other cases enjoyment watching their first. Auburn Brenner and Paige Labahn entertained the audience with wonderful commencement speeches recounting the last four years of school. Many students eagerly awaited the moment they could walk across the stage to receive their diploma.

1. Seniors throw their hats in the air at the end of the ceremony.
2. Ryleigh Tupper switches her tassel to the left side after receiving her diploma.
3. Aiden Heisinger plays the cello during the farewell song.
4. Trey Heckenlatble, Hosea Bennett, Preston Konechne and Nicholas Pellicotte show off their diplomas.
5. Elizabeth Jones embraces Taylor Hagen after the ceremony.
6. Owen Birkeland, Carter Hayes and Remon Afework hug and celebrate after graduation.

The tassel was worth the hassle.

Senior Prayer

Glory to You, God of all creation.
We give You thanks for the gifts and
opportunities You give us.
We surrender our plans for the future and the
pain of our past.
Please grant us the strength to give ourselves
in the service of others.
Mary, Queen of Victory
Pray for us.

7. Senior Concert Choir members, accompanied by current Concert Choir, sing a final song.

8. Yueqin Cao smiles during Mass.

9. Ian Scherbring and Trey Heckenlaible play the trumpet.

10. Suzanna Sejnoha and Dominick Scholten pose for a picture after the ceremony.

11. Caleb Honner listens to the Mass.

12. John Costello and Atur Dut walk down together.

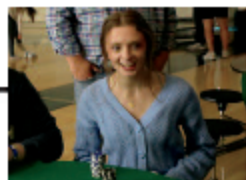

13. McCabe Wenande and Ann Tran take a picture together before the ceremony.

14. Leo Hueners escorts Kaylyn Kennedy in the graduate procession.

15. Austin Antonen begins to move his tassel.

16. Auburn Brenner gives her commencement speech.

Until Next TIME 2022

As the 2021-2022 school year comes to a close, each senior is beginning their next stage of life. Our seniors will be moving all across the country or heading into the workforce. The underclassmen will be taking a step up in the ranks and will see what high school is like as they get older. The last few weeks of school have been quite restless. As the weather got warmer students were ready to spend time outside.

The class of 2022 will be traveling to 20 states and 1 country to further their education. Numerous seniors will be playing collegiate sports while others are pursuing medicine, aviation, technology and many other majors.

The school year has also been one full of accomplishments. The Knights brought home 8 state championships titles, the most in the state of South Dakota. Besides sports, our student body is active across the board in numerous activities like theater, Oral Interp, Environmental Awareness and many more.
