

ELIZABETHTOWN AREA SCHOOL DISTRICT
ADDENDUM # 1
to the
Request for Proposal for
Contracted School Bus Transportation
Due Date April 2, 2024

1. What is the deadline for questions?
 - a. Deadline for questions is Thursday, March 28, 2024 at Noon

2. Will the district share all questions and answers with all interested vendors?
 - a. All interested vendors will receive a copy of questions and responses by Addendum. All vendors will be required to complete a Vendor Acknowledgement Form for the Addendum(s).

3. Does the district currently have any routes that are paired with routes from another district, if so, how many?
 - a. The District currently has routes paired with routes from other districts. Currently, there are 5 AM/PM routes with min bus or van.

4. Section 5 Drivers, talks about the contractor supplying drivers to operate district owned vehicles. Can you explain this in greater detail? Will the contractor be required to provide drivers during home to school route time for example?
 - a. **DELETE** - Section 5 sentence "The Contractor will also provide drivers to operate school owned vehicles. The District will reimburse the contractor all costs related to the arrangement."

5. Schedule A outlines a total of 50 vehicles but exhibit G states that the district had 42 vehicles running in 2013-14. Should we answer the question related to spares based on the information in Schedule A?
 - a. The number of Spares should be based on Exhibit A outline:

		<u>SPARE</u>
Big Buses Type C	23	_____
Mini Buses Type A	19	_____
Vans	8	_____

6. Will the district issue the answers to all questions as an addendum?
 - a. Yes

7. Section 9, Item c should be modified as:

Schedule A provides information on the routes and the number of students that were scheduled in the School District for **2023-2024**.

8. Item G, #3 should be modified as:

We had 42 buses running for the 2023-24 school year. How many buses will you have as spares based on schedule below:

		<u>SPARE</u>
Big Buses Type C	23	_____
Mini Buses Type A	19	_____
Vans	8	_____
