Join Us for a Special Event: Screenagers Filmmaker Explores Teens' Decision-Making in the Digital Age

All Fairview Families are Invited!

Register for the Event [HERE](#)

Join Screenagers filmmaker Delaney Ruston as she picks up her camera once more to examine the impact of our digital age on teens' decision-making in relation to substances such as vaping, drugs, and alcohol.

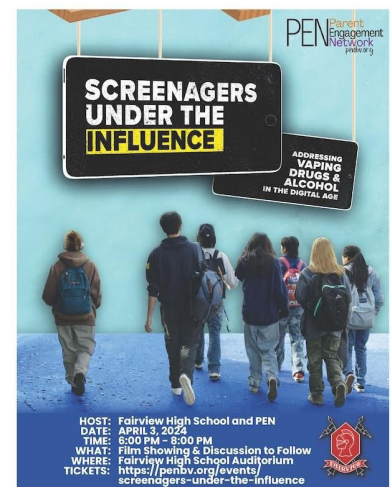

Exploring the latest research and learning more about the personal experiences of teens and families, the film highlights the changing landscape of the substances themselves, offering solutions for how we can best empower teens as they face decisions about what they will and will not be influenced by.

With Prom, Graduation, and Summer Break on the horizon, we hope this is a timely opportunity for all Fairview Knights to examine these important topics. **FHS students and parents are encouraged to attend together to keep the learning and conversations going.**

CELEBRATING OUR KNIGHT EXCELLENCE

✳️ **Congratulations to Our Outstanding Students!** ✳️

We're thrilled to announce the achievements of our Fairview High School students who participated in this year's Trash the Runway event. Trash the Runway is a design competition challenging middle and high school students to create high fashion garments entirely out of trash. With just two months to complete their designs, our students showcased their creativity and innovation at the final runway show.

Rylan Neumann (11th grade) received the Design Award, and Grace Abboud (11th grade) was honored as the Grand Prize winner. Please congratulate them! Kudos to all participants for their dedication to creating cohesive, fashionable designs while adhering to strict criteria. Their remarkable performances exemplify the creativity and talent of Fairview High School students. Let's celebrate their achievements and applaud their commitment to sustainability and innovation! 🎉

Trash The Runway 2024 Contestants

Athlete of the Week

We would like to congratulate **Abby Day, Ki Ellison and Madeline Saltarelli** for being selected Jersey Mike's Athlete of the Week.

Abby was nominated by Coach Sheridan for her performance in lacrosse. Abby helped lead the team in our first win of the season against Green Mountain last week. She had 3 goals, 2 assists, 3 ground balls and 1 caused turnover. Madeline was nominated by Coach Veith. Madeline worked so hard over the winter months and it paid off. The season opener track meet at Centaurus resulted in a big personal best time in the 200m. Madeline has been a leader on the team, shown immense amount of dedication and is welcoming to younger and newer athletes to the team. I appreciate Madeline's work ethic and can't wait to see what else she can do this season!. Ki was nominated by Coach Kelly. Ki played in his first two lacrosse games as a freshman goaltender and had quite a showing making saves and drawing penalties and running the ball over minefield. First, vs Rock Canyon and second versus Legend. **Congrats to all the athletes and Sko Knights!!!!**

When to Keep Your Student Home

The flu season (and other nasty viruses) is upon us. Here is a quick refresher for when to keep your student home. Remember, the Colorado Department of Health is still recommending for confirmed Covid cases the student remain home for 5 days of isolation and then wear a mask for 5 days after returning to school.

BVSD is not enforcing this or following up on any reports of cases, this is just best practice. For any other illness, the policy is the same as it has always been. [Click here](#) for information on when to keep your student home.

Dear Fairview Family,

The Honors Office and School Store parent coordinators are seeking more volunteers! Many thanks to the volunteers who helped in the FHS Snack Store last semester. A new [Sign-Up Genius](#) has been set up with available shifts for the Spring Semester. We hope to bring in many new volunteers this semester!

This is a great way to see students "in action" at Fairview, and see their excitement about fresh-baked cookies and other tasty snacks during the school's 2-4pm operating hours.

El título asociado es equivalente a una carrera técnica universitaria corta de dos años.

Tendremos dos sesiones diferentes para la Noche de Información sobre Título Asociado el **lunes 15 de abril**:

17:00 - 17:45 - Sesión de inglés

6:00 - 6:45 p.m. - Sesión de español

Durante la Noche de información sobre el título asociado, las familias aprenderán sobre los requisitos y opciones para completar un título asociado a través de Front Range Community College (FRCC) por medio de los cursos universitarios de BVSD tomados en su propia escuela preparatoria o mediante cursos en línea. Esperamos que pueda asistir, gracias por confirmar su asistencia [aquí](#).
