Why you chose to run for school board:

I chose to run for school board because I am deeply committed to ensuring that every student in our community has access to a high-quality education. I believe that strong schools are the foundation of a thriving community, and I am dedicated to working collaboratively with parents, teachers, and community members to address the challenges facing our schools and to build on their successes. I am passionate about advocating for policies and programs that support student achievement, promote equity and inclusion, and prepare our students for success in the 21st century. I am excited about the opportunity to continue serving my community in this capacity and to make a positive difference in the lives of our students.
