

John Rainieri Jr. Memorial Golf Scholarship

The *John Rainieri Jr. Clubhouse Foundation* was established to honor the memory of John Rainieri Jr. who died of cancer in January 2022. John was a 1978 Lake High School graduate and local golf enthusiast. He helped his father own and run three area golf courses; Paradise Lake Country Club, Raintree Country Club, and Prestwick. John never turned down an opportunity to help a young golfer with greens fees or range tokens in hopes to grow the sport. He loved the game of golf and everything it embodied. John was a great friend and was looked up to by many. He is deeply missed by everyone that knew him.

To keep his spirit alive, the foundation is awarding scholarships to high school golfers. To be considered for this scholarship, the student athlete must maintain good grades, plan on attending college, and be considered a good teammate. The foundation would like you to answer the following questions and submit at least one letter of recommendation. Your application can be submitted by email to jjrclubhouse@gmail.com.

Name:

Cumulative GPA:

Years Playing Golf:

What is your fondest memory of being on the golf team?

What makes you a good teammate?

What are your future plans? This can include but not limited to college plans, career paths, or aspirations you might have.

Why do you think you deserve this award? Please consider the short description and background of John in your answer.
