ADMINISTRATION IN POLICY ABSENCE

The Board of Education recognizes the importance of having guidance from the Superintendent in the absence of a Board of Education policy.

In cases in which action must be taken where the Board of Education has provided no guidelines for administrative action, the Superintendent of Schools shall have the power to act, but his/her decisions shall be subject to review by the Board at its regular meeting. It shall be the duty of the Superintendent to inform the Board promptly of such action and of the need for policy.
