A new form **must** be completed every school year.

By signing below, I acknowledge, understand and agree as follows:

1. The only individual(s) who may possess and administer medical cannabis to my child at school or on the school bus is his/her registered designated caregiver as identified by the Illinois Department of Public Health.
2. Both my child and his/her registered designated caregiver possess valid registry identification cards issued by the Department of Public Health, copies of which I have provided/will provide to the District.
3. After administering the medical cannabis to my child, the designated caregiver shall immediately remove the product from school premises or the school bus.
4. The designated caregiver may not administer a medical cannabis infused product in a manner that, in the opinion of the District or school, would create a disruption to the school's educational environment or would cause exposure of the product to other students.
5. Children under age 18 cannot smoke or vape medical cannabis. Medical cannabis-infused products include oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped.
6. The District reserves the right to restrict or otherwise stop allowing the administration of medical cannabis to my child if the District or school would lose federal funding as a result.
7. I agree to indemnify and hold harmless the School District and its employees and agents against any claims, except a claim based on willful and wanton conduct, arising out of the administration of medical cannabis that I authorize by my signature below.
