After verification of payment for "Buyout Cost", LLS Technology will release your macbook from LLS control. Detailed instructions are provided on our website under the Student Links menu and must be performed by the student/family. The device will also be removed from Apple's device enrollment program database, forever terminating the district's ownership.

*(Participating students must graduate from an LLS HS, pay current buyout device cost, along with any outstanding device fees to be eligible for the buyout program)*
