

MARQUETTE UNIVERSITY HIGH SCHOOL

# SUMMER EXPLORE!

Summer Programs for Boys Entering Grades 3 – 8 and MUHS Grade 9

---

# WELCOME TO MARQUETTE UNIVERSITY HIGH SCHOOL

---

## Summer is the perfect time to explore Marquette High!

Our Summer EXPLORE! Programs are taught by current faculty, staff and coaches with the same excellence that is the hallmark of a Marquette High education. Your student will make new friends, meet teachers and coaches, and experience the Marquette High community. We hope to see you this summer!

**We also invite you to experience Marquette University High School through these opportunities.**

### **October Open House**

At our Open House, discover the school's skill-based curriculum that teaches problem solving, critical thinking, time management and leadership. Current students lead tours and faculty are available to speak more in depth about life in the classroom as well as the benefits of a Jesuit education and an all-boys school. Attendees also have the opportunity to speak with administration, club moderators, coaches and parents. The event is free and open to all 6th, 7th and 8th grade boys.

### **Campus Visit Shadow Days**

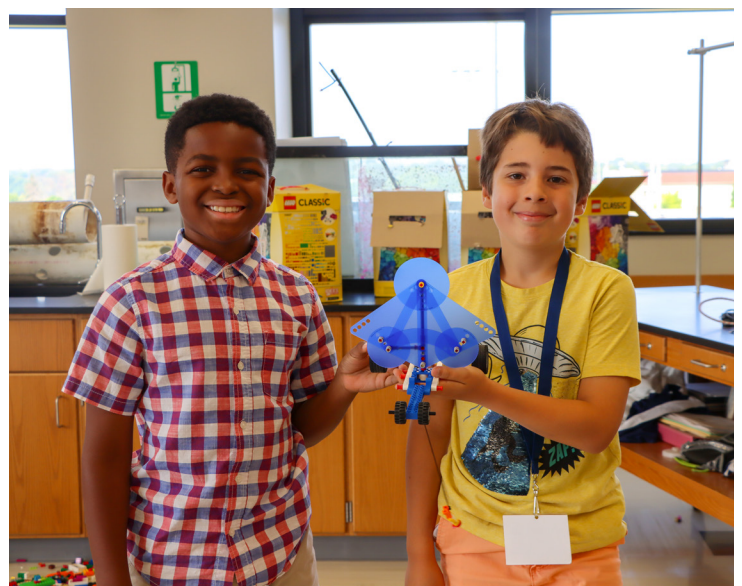

A great way to experience what it is really like to be a student at Marquette High is by making a campus visit. Students sit in on classes, eat lunch with current students, meet faculty and take a tour of the building. Parents are invited to attend a coffee time, brief presentation and campus tour the morning of their son's visit. Fall semester dates are for 8th grade students, spring semester dates are for 7th grade students. For more information and to register, visit: [www.muhs.edu/admissions/visit](http://www.muhs.edu/admissions/visit)

### **Personal Tour – Available by Appointment**

Families can come in for a private tour with the Director of Admissions, John Meuler. All tours take place after school from 3:30 p.m. - 4:30 p.m. Please call (414) 937-7800 or email [admissions@muhs.edu](mailto:admissions@muhs.edu) to set up a tour!

### **Sign up for our Future Hilltopper Mailing List**

If you haven't already done so, sign up to be added to our Future Hilltopper list. You (boys and parents) will receive information about MUHS and updates on activities you can attend throughout the year. To sign up, visit: [www.muhs.edu/admissions/inquire](http://www.muhs.edu/admissions/inquire)

## GENERAL INFORMATION

### How to Register

- Register online with a credit card payment using VISA, Mastercard, Discover or American Express: [www.muhs.edu/summer-camps/summer-explore](http://www.muhs.edu/summer-camps/summer-explore)
- Program registration is limited and is based on a policy of first-come, first-served paid registrations.
- Full payment is due with the registration. Program spots cannot be reserved for those not paid in full.
- Register students for the grade level they will enter in fall 2024.

### Program Cancellation/Refund Policy

Marquette High reserves the right to close programs with maximum enrollment and to cancel programs that do not meet the minimum enrollment 14 days prior to the program starting date. In the event a program is cancelled by the school, participants will receive a full refund.

Families who voluntarily withdraw from the program 14 days or more before the program start date will receive a full refund less a \$10 administrative fee. Refunds will not be given for cancellations that are less than 14 days prior to the program start date. These program fees may be applied to another 2024 Summer EXPLORE! class if space is available.

If a student voluntarily withdraws after the first day of the program start date, no refund will be issued. There is no pro-rated adjustment of the program fees based on the number of days attended.

### Student Behavior

Appropriate student behavior is expected. If a student's behavior makes it difficult for others to learn and enjoy their experiences or for teachers to teach, the summer program coordinator reserves the right to discuss the situation with the student and parents, and if a remedy cannot be initiated, to require the student to withdraw from the program without a refund.

### Illness

If a student becomes ill, Marquette High will contact parents and ask that their student be picked up from summer programs or sport camps. Refunds will not be issued based on missed days due to illness.

### Insurance

Marquette High does not carry medical or hospital insurance for injuries or illness a participant may sustain in the summer programs. Parents of students participating in Marquette High-sponsored activities must provide their own insurance and assume the risks of all injuries or accidents.

### First Day Procedures

Summer EXPLORE! programs will be held at Marquette University High School unless indicated otherwise. Enter at the Henke Center Entrance at 3306 W. Michigan. Students will check in before reporting to the location of their program. If you plan to come in with your student, please park in any of the available parking spaces. The first day check-in procedures will be sent to families as part of the reminder email families will receive during the week prior to the first day of class.

### Lunch

If your son is participating in a morning and afternoon class or sport camp, he is welcome to bring a lunch and beverage. An area will be designated for students to have lunch between classes.

### Dress Code

General guidelines for summer programs:

- Pants/Shorts: Students may wear casual pants or jeans or cargo-type shorts. They should be neat, clean and without rips or frays. Cut-offs are not permitted. Pants and shorts must be worn at waist level at all times. Students may wear athletic pants or shorts if they are attending a sport camp.
- Shirts: Students may wear a collared shirt, T-shirt or jersey. A collared shirt is either a polo shirt or button down. No inappropriate images or sayings on T-shirts.
- Shoes and socks must be worn at all times. No sandals.
- Hats or sunglasses may not be worn in the building.
- For summer sport camps, students should dress in appropriate athletic wear.

## MULTI-DISCIPLINE PROGRAM

---

### AAA Program – Academics, Arts & Athletics

---

For boys entering grades 6, 7, 8

The AAA Program stands for the three components of the program: Academics, Arts and Athletics. Each of these components will be incorporated into daily activities to build relationships, practice skills, and prepare students for a Marquette High environment. The AAA Program captures a central priority of a Marquette High education: forming the whole person. In an active, fun, engaging learning environment, students will gain a small glimpse of life at Marquette High. Fun and challenging lessons taught by MUHS faculty will prepare students for the active learning environment at MUHS. In athletics, students will participate in team sports such as soccer, flag football, kickball or ultimate Frisbee. Current students will assist MUHS faculty throughout the program.

#### June 17 – 20 (Monday – Thursday)

12:30 p.m. – 2:30 p.m.

Fee: \$100

Lead Instructors: Mr. Erik Anderson and Ms. Lauren Enriquez – Theology  
Minimum enrollment – 15; Maximum enrollment – 30

---

## FINANCE

### Stock Markets & Investing: Course 1

---

For boys entering grades 6, 7, 8, and MUHS Grade 9

Tesla! Bitcoin! & NFTs! Everywhere you look these days, stock markets and investing are all the rage. Want to start to learn about what it means to invest? This camp is designed to allow students to gain knowledge and skills in the areas of investment vocabulary and decision-making, including stocks, bonds, mutual funds and other financial instruments. Students will learn about and see how the Marquette University High School Ignatian Student Investment Fund is an example of prudent, long-term investing. In this interactive course, students will participate in a stock market simulation as well as other financial activities and games to enhance their learning experience.

#### June 10 – 13 (Monday – Thursday): 9 a.m. – Noon

Fee: \$130

Instructor: Mr. Matt Jaques – Math and Economics  
Minimum enrollment – 8; Maximum enrollment – 15

### Stock Markets & Investing: Course 2

---

For boys entering grades 7, 8, and MUHS Grade 9

*Prerequisite: 2021, 2022 or 2023 Stock Markets & Investing: Course 1*

This companion course will provide students the opportunity to do a deeper dive into the financial metrics surrounding investing. Students will learn more about differences in investing philosophies and begin to formulate their own opinions about useful metrics for picking successful investments. Students will be given a chance to research a company and be coached through how to put together an investment proposal, mirrored after that used by the Marquette University High School Ignatian Student Investment Fund. Two sessions of the same class are being offered.

#### June 10 – 11 (Monday – Tuesday): 12:30 p.m. – 3:30 p.m.

#### June 12 – 13 (Wednesday – Thursday): 12:30 p.m. – 3:30 p.m.

Fee: \$65

Instructor: Mr. Matt Jaques – Math and Economics  
Minimum enrollment – 5; Maximum enrollment – 10

---

## MATH

---

### Summer Math Problem Solving

---

For students entering grades 8, 9 (girls from any school, grade 8 boys from any school, MUHS grade 9)

*Recommended for students in Honors or Advanced Math*

Is your son or daughter fascinated by the world of mathematics? Discover interesting mathematical topics not typically taught in middle school or high school math classes! Many of the topics are taken from high school (e.g., AMC) and middle school (e.g., MATHCOUNTS) competitions. The topics rotate each session so that a student who participates in the program repeatedly will not see the same material twice.

Note that motivated students can sign up for both sessions each summer at their designated level.

#### June 17 – 21 (Monday – Friday)

Problem Solving (grades 8, 9): 9 a.m. – 11 a.m.

#### July 8 – 12 (Monday – Friday)

Problem Solving (grades 8, 9): 12:30 p.m. – 2:30 p.m.

Fee: \$100

Instructor: Mr. Chris Reis – Math and Computer Science  
Minimum enrollment – 12; Maximum enrollment – 20

### Summer Advanced Math Problem Solving

---

For students entering grades 10, 11, 12 (girls from any school, MUHS grade 10–12)

*Recommended for students in Honors or Advanced Math*

Is your son or daughter fascinated by the world of mathematics? Discover interesting mathematical topics not typically taught in middle school or high school math classes! Many of the topics are taken from high school (e.g., AMC) and middle school (e.g., MATHCOUNTS) competitions. The topics rotate each session so that a student who participates in the program repeatedly will not see the same material twice.

Note that motivated students can sign up for both sessions each summer at their designated level.

#### June 17 – 21 (Monday – Friday)

Advanced Problem Solving (grades 10, 11, 12): Noon – 2 p.m.

#### July 8 – 12 (Monday – Friday)

Advanced Problem Solving (grades 10, 11, 12): 9 a.m. – 11 a.m.

Fee: \$100

Instructor: Mr. Chris Reis – Math and Computer Science  
Minimum enrollment – 12; Maximum enrollment – 20

## SCIENCE

### Learning with Legos: Competitive Engineering

For boys entering grades 5, 6

Design and build powered Lego creations to compete with other students. Models will be built using the Lego Education Simple Machine Kits and will explain the engineering concepts of torque, motion, energy and measurement. Tasks will be assigned to students and models must be built to meet the requirements of each competition. Students will work in pairs to foster collaboration and communication. As a bonus, each student will be able to keep one of his Lego creations to bring home and share with his family. Two sessions of the same class are being offered.

**June 17 – 20 (Monday – Thursday):** 9 a.m. – Noon

**June 17 – 20 (Monday – Thursday):** 12:30 p.m. – 3:30 p.m.

Fee: \$130

Instructor: Mr. Paul Fleisch – Science

Minimum enrollment – 4; Maximum enrollment – 8

### Hilltopper Robotics: Introductory Challenge

For boys entering grades 7, 8, and MUHS Grade 9

Come learn about the exciting world of robotics! The field of robotics is full of unique challenges, critical thinking, and creativity. Through a variety of hands-on activities, campers will learn the basics of design, mechanics, electronics, and coding. During the week, campers will work with members of the current Team 1732 Hilltopper Robotics Team to build and program a robot which will perform in fun and friendly challenges. The skills campers learn in this class are a great introduction for those interested in learning more about robotics at MUHS or in looking to simply try something new!

**July 8 – 11 (Monday – Thursday)**

9 a.m. – Noon

Fee: \$150

Instructor: Ms. Marianne Stone, Director

Team 1732 Hilltopper Robotics Team

Minimum enrollment – 8; Maximum enrollment – 30

### Introduction to FRC1732 Hilltopper Robotics

For MUHS Grade 9

Incoming students...are you interested in robots? We're looking for students who like to take charge, work with their hands, collaborate in teams, and generally geek out. Build robots, program them, plan events, manage money, and take photos/video. Play hard and have a blast! No experience required. Come spend a day with our team and learn about the Hilltopper Robotics Program. Lunch will be provided.

**July 19 (Friday)**

9 a.m. – 1 p.m.

Fee: \$10

Instructor: Ms. Marianne Stone, Director

Team 1732 Hilltopper Robotics Team

Minimum enrollment – 8; Maximum enrollment – 30

### Pre-Science Olympiad: Engineering Challenge

For boys entering grades 7, 8, and MUHS Grade 9

If you have an interest in science and engineering this class is for you. Pre-Science Olympiad is designed to mirror the events of the National Science Olympiad tournament. Students will work with current MUHS Science Olympiad team members in a collaborative setting and can expect to design and build at least one structure and train and compete in engineering and lab based events. Marquette University High School is the defending state Champion in Science Olympiad and was 11th at the 2023 national tournament. The skills that students learn in this class could help them join the team when they enter high school.

**July 23 – 26 (Tuesday – Friday)**

9 a.m. – Noon

Fee: \$150

Instructor: Ms. Nicole Williams – Science

Minimum enrollment – 8; Maximum enrollment – 16

# HISTORY

## Pedaling Through the Past: A History of Milwaukee Bike Tour

For boys entering grades 6, 7, 8, and MUHS Grade 9

Join MUHS Milwaukee History teacher Jon Parsons on a bike trip through the Menomonee River Valley. History lovers will learn stories of Milwaukee's past as they journey from the site of one of Milwaukee's oldest trading posts in Mitchell Park to Lake Michigan and back. Bring some bottled water, a bag lunch and remember your helmet!

Multiple dates of the same experience are being offered – select the day that's best for you!

**June 24 (Monday):** 9 a.m. – 1 p.m.

**June 27 (Thursday):** 9 a.m. – 1 p.m.

**July 10 (Wednesday):** 9 a.m. – 1 p.m.

**July 16 (Tuesday):** 9 a.m. – 1 p.m.

Fee: \$60

Instructors: Mr. Jon Parsons – Social Studies

Minimum enrollment – 4; Maximum enrollment – 6

## Milwaukee Hidden History Hike

For boys entering grades 5, 6, 7, 8, and MUHS Grade 9

Jon Parsons, Marquette High's Milwaukee History instructor, will lead a walking tour of downtown Milwaukee. With over 175 years of development, there is history hidden everywhere you look. Peel back the layers of time and see what lies underneath! Wear comfortable walking shoes, and bring a backpack with water and a bag lunch/snack.

Multiple dates of the same experience are being offered – select the day that's best for you!

**June 25 (Tuesday):** 9 a.m. – 1 p.m.

**July 8 (Monday):** 9 a.m. – 1 p.m.

**July 11 (Thursday):** 9 a.m. – 1 p.m.

**July 17 (Wednesday):** 9 a.m. – 1 p.m.

Fee: \$60

Instructors: Mr. Jon Parsons – Social Studies

Minimum enrollment – 4; Maximum enrollment – 10

## Hidden History of Milwaukee Van Tour

For boys entering grades 5, 6, 7, 8

Come join Jon Parsons, MUHS's Milwaukee History instructor, as he fires up the school van and hits the road to explore some of the most unique sites of our hometown. The tour will focus on the impact of geography, infrastructure, technology and economics in how our city developed. If you're the kind of student that looks around and says, "I wonder what was here a hundred years ago," this tour is for you! Sites visited will be different from the hike and bike ride that are being offered.

Multiple dates of the same experience are being offered – select the day that's best for you!

**June 26 (Wednesday):** 9 a.m. – 1 p.m.

**July 9 (Tuesday):** 9 a.m. – 1 p.m.

**July 15 (Monday):** 9 a.m. – 1 p.m.

**July 18 (Thursday):** 9 a.m. – 1 p.m.

Fee: \$60

Instructor: Mr. Jon Parsons – Social Studies

Minimum enrollment – 6; Maximum enrollment – 9

## Who's Who in Milwaukee History

For boys entering grades 3, 4, 5

Take a stroll through historic Forest Home Cemetery with MUHS Milwaukee History teacher Jon Parsons and hear stories of some of Milwaukee's most important figures at their final resting place. Forest Home Cemetery is home to a venerable who's who of local history. Explore the graves of consequential mayors, pioneers, inventors and industrialists as a part of our walking tour. Day two will offer additional programming and a potential history-themed service opportunity. Round-trip transportation by school van from MUHS will be provided.

Two sessions of the same class are being offered

**June 24 – 25 (Monday – Tuesday):** 1:30 p.m. – 4 p.m.

**July 17 – 18 (Wednesday – Thursday):** 1:30 p.m. – 4 p.m.

Fee: \$80

Instructor: Mr. Jon Parsons – Social Studies

Minimum enrollment – 6; Maximum enrollment – 9

## A Great Place on a Great Lake:

### The Impact and Role of Water in Milwaukee History

For boys entering grades 3, 4, 5

Check out some of Milwaukee's most important water-related landmarks to understand the role water plays in our history and our lives today. Jon Parsons will take students to see the site of the old North Ave. Dam, the Pryor Avenue Iron Well, Jones Island and many places in between. Round-trip transportation by school van from MUHS will be provided.

Two sessions of the same class are being offered

**June 26 – 27 (Wednesday – Thursday):** 1:30 p.m. – 4 p.m.

**July 15 – 16 (Monday – Tuesday):** 1:30 p.m. – 4 p.m.

Fee: \$80

Instructor: Mr. Jon Parsons – Social Studies

Minimum enrollment – 6; Maximum enrollment – 9

PERFORMING ARTS

Drum Set Camp (Coed Camp)

For students entering grades 8, 9, 10, 11, 12

This camp is intended to develop drum set skills for those student musicians who have previous experience as a drummer. Topics will range from the drumming styles of Jazz, Samba, Bossa Nova, Latin-Rock, as well as tuning and care of the drum set. Drums will be provided.

Fee Fee: \$200  
Instructor: Mr. Dave Bayles – faculty member at Milwaukee Jazz Institute, UWM, and UW-Parkside  
Minimum enrollment – 4; Maximum enrollment – 6

Milwaukee Jazz Institute (MJl) Summer Jazz Camp at MUHS

Start summer on a high note. For over a quarter-century, middle and high school musicians have learned about jazz from members of We Six during their annual week-long day camp. This year, the camp will be hosted at Marquette University High School! Students will perform jazz classics in small ensembles, participate in improvisation workshops, hear live performances, and learn about Milwaukee’s unique jazz history. MJl’s camps are ideal for beginning and experienced jazz players. Enrollment is limited.

**Registration and additional information:**  
<https://www.milwaukeejazzinstitute.org/summer-jazz-camp>  
**June 17 – 21 (Monday – Friday)**

Little Big Band: 10:30 a.m. – Noon  
Add a Combo: 10:30 a.m. – Noon

MIXED MEDIA

Creative AI Explorers

For boys entering grades 4, 5, 6

This course is tailored to spark creativity and imagination using the fascinating world of Artificial Intelligence (AI). The primary goal is to introduce students to the basics of AI, emphasizing its potential as a tool for learning and creative expression. We will explore how AI can be used in projects, from planning summer activities to creating digital art to harnessing educational tools and beyond.

**June 24 – 25 (Monday – Tuesday)**  
9:00 a.m. – Noon  
Fee: \$65  
Instructor: Mr. Tim Cigelske, VP of Marketing & Communications at MUHS  
Minimum enrollment – 6; Maximum enrollment – 12

Podcasting Workshop

For boys entering grades 7, 8, and MUHS Grade 9

The Podcasting Workshop is a two-week program designed to introduce students to the world of podcasting. The workshop aims to familiarize students with podcasting concepts, provide hands-on learning experiences, and equip them with the skills and knowledge needed to create their own podcasts. Upon completion of the workshop, students are expected to have successfully researched, interviewed, recorded, edited, and published their podcasts, gaining valuable experience in the podcasting industry. The class includes a field trip to Radio Milwaukee 88.9 to tour the facility including on air studios and where they record their podcasts. Students will be transported by school van for this field trip.

**June 10 – 13 and June 17 – 20 (Monday – Thursday)**  
9 a.m. – 11 a.m.  
Fee: \$175  
Instructor: Mr. Tom Mussoline – Academic Technology and Mr. Sean Raffaelli – Student Supervisor/Proctor & Football Coach  
Minimum enrollment – 6; Maximum enrollment – 12

Through the Lens Photography Workshop

For boys entering grades 6, 7, 8

Embark on an immersive journey into the captivating world of photography! This course blends hands-on learning and creative exploration to ignite the passion for photography in young minds. Throughout the course, emphasis will be placed on collaboration, creativity, and confidence in young photographers. By the end of this exciting two-day adventure, campers will not only have a collection of stunning photographs but also a newfound appreciation for the power of visual storytelling.

**July 24 – 25 (Wednesday – Thursday)**  
9 a.m. – Noon  
Fee: \$80  
Instructor: Ms. Indigo Cunningham, Graphic Designer/Social Media Specialist at MUHS  
Minimum enrollment – 4; Maximum enrollment – 8

**SPECIAL INTEREST**

**Strategy Board Games**

For boys entering grades 6, 7, 8, and MUHS Grade 9

Are you interested in strategy board games such as Risk and Ticket to Ride? Learn the rules and strategy behind a variety of board games from current MUHS students and then play against other boys in the class.

**June 17 – 20 (Monday – Thursday)**  
12:30 p.m. – 3:30 p.m.  
Fee: \$120  
Instructor: Mrs. Amy Shambarger – Learning Services; Current MUHS Students  
Minimum enrollment – 8; Maximum enrollment – 20

**Sheepshead: Milwaukee’s Official Card Game**

For boys entering grades 5, 6, 7, 8

Impress your grandparents at your next family gathering by learning the official card game of the city of Milwaukee! Students will learn the rules and strategies, engage in some teach-while-you-play exercises, and finish the week with the third annual Summer EXPLORE Sheepshead Tournament! No previous experience necessary.

**July 8 – 11 (Monday – Thursday)**  
1:30 p.m. – 3 p.m.  
Fee: \$65  
Instructor: Mr. Jon Parsons – Social Studies  
Minimum enrollment – 4; Maximum enrollment – unlimited

**Let’s Play Cribbage**

For boys entering grades 5, 6, 7, 8

15-2, 15-4 and a pair is six... who is ready to play a little cribbage? Whether you are a beginner or a seasoned cribbage player, this two-day camp will focus on learning the rules and strategies of cribbage playing as well as engage in some friendly game play. The second day will feature a round-robin style tournament to crown the MUHS Summer EXPLORE Cribbage Champion! Put down that cell phone, grab yourself a cribbage board and get ready for some good old-fashioned fun!

**July 22 – 23 (Monday – Tuesday)**  
9 a.m. – Noon  
Fee: \$65  
Instructor: Mr. Matt Jaques – Math and Economics  
Minimum enrollment – 4; Maximum enrollment – 15

**Introduction to Debate**

For boys entering grades 7, 8, and MUHS Grade 9

The MUHS Debate Team (a division of the Webster Club) is looking for outspoken individuals with ideas who are interested in learning about debate. This four-day course covers the fundamentals of Lincoln-Douglas (LD) Debate in a fun and competitive atmosphere. Debate offers students the opportunity to bolster critical thinking skills, become confident inside and outside of the classroom, participate in an age-old art form, and make friends. For incoming freshmen, this is a great way to jump-start their Debate career as part of a team with multiple 2024 State Champions and national competitors. No previous experience necessary!

**June 24 – 27 (Monday – Thursday)**  
9 a.m. – Noon  
Fee: \$100  
Instructors: Mr. Ross Johnson, Head Coach; Mr. Joe Webb, Coach; and members of the MUHS Debate Team  
Minimum enrollment – 5; Maximum enrollment – 20

**Positive Pooch: Dog Safety Training**

For boys entering grades 6, 7, 8

Join certified Therapy dog, Cooper, for a fun week of dog safety training! In this class you will learn how to read canine body language, respect a dog’s boundaries and safely interact with pooches. We will cover basic dog training techniques using the positive reinforcement method. Additionally, we will create healthy canine treats and play doggy indoor games (perfect for super hot or rainy days).

**June 24 – 27 (Monday – Thursday)**  
2:45 p.m. – 4:15 p.m.  
Fee: \$65  
Instructors: MUHS Alumnus Mr. Kyle Powers '13, Registered Therapy Dog Handler and MUHS Employee Mrs. Julie Felser, Registered Therapy Dog Handler  
Minimum enrollment – 4 per session; Maximum enrollment – 8
