Board of Education
Folsom Cordova Unified School District
Rancho Cordova, California

We have conducted a performance audit of the Folsom Cordova Unified School District (the "District") Measure P General Obligation Bond funds for the year ended June 30, 2022.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 4 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure P General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for Folsom Cordova Unified School District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Folsom Cordova Unified School District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our tests indicated that, in all significant respects, Folsom Cordova Unified School District expended Measure P General Obligation Bond funds for the year ended June 30, 2022 only for the specific projects developed by the District's Board of Education and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.
