

TO: Summer Sports Camp Participants

FROM: Larry Cochren, Athletic Director

Students participating in summer sports camps at Washington High School need to be covered by medical insurance. The Washington Community Schools' Athletic Department has NO INSURANCE to cover medical cost for injuries or for your deductible.

If you do not have insurance, need additional coverage to assist with your deductible or cannot afford insurance, please contact the athletic department.

Please read, sign and return this form with your camp registration. It must be on file **before the start of camp session** in order for your child to participate in summer camp at WHS.
