

# Cyber Shield:

## PROTECTING STUDENTS IN THE DIGITAL REALM

SUSPICIOUS  
ACTIVITY  
REPORT

**Promoting internet safety for students involves fostering thoughtful online connections, encouraging cautious behavior, and reporting cyberbullying incidents, while stressing the significance of open communication for parents to actively contribute to a secure online environment.**

Get app

Use **FortifyFL** to **report** suspicious activity and **instantly alert** law enforcement and school officials. App available for download in the Mac App Store and Google Play.
