What is Love & Logic?

- A research-driven discipline technique that provides tools to help adults achieve respectful and healthy relationships with their children.
- Suited for parents & adults raising kids 2-6 years old.

Call us for more info
805-549-1222

Why You'll Love it:

- Helping families nationwide since 1977
- Teaches responsibility & character
- Nurture a long lasting, strong relationship with your child
- Presented by Dr. Christina Kaviani, Cal Poly professor with over a decade of experience in education.
