

BUDGET ADOPTION PROCEDURES

The North Middlesex Regional School District budget is adopted by the School Committee at the cost center level. Cost centers should represent appropriate levels of transparency for the Committee to oversee goal implementation while allowing for administrative day-to-day work. Cost centers will be agreed upon by the School Committee and administration.

All revenue sources are subject to adoption by the North Middlesex Regional School District School Committee.

The annual North Middlesex Regional School District budget as adopted by two-thirds vote of the Regional School District Committee shall require the approval of two-thirds of the local appropriating authorities of the member municipalities.

In the event the North Middlesex Regional School District district budget is not approved by at least two-thirds of the member municipalities as required, the North Middlesex Regional School District School Committee shall have thirty days to reconsider, amend, and resubmit a budget on the basis of the issues raised.
