

Fiscal Accounting and Reporting

The Superintendent will be ultimately responsible for receiving and properly accounting for all funds of the North Middlesex Regional School District.

The accounting system used will conform with the Uniform Massachusetts Accounting System as well as good accounting practices, providing for the appropriate separation of accounts, funds, and special monies.

The North Middlesex Regional School District School Committee will receive periodic financial statements from the Superintendent showing the financial condition of the school district. Such other financial statements as may be determined necessary by either the School Committee or the administration will be presented as found desirable.
