

PUBLIC GIFTS TO THE SCHOOLS

The Superintendent will have authority to accept gifts and offers of equipment for the schools in the name of the North Middlesex Regional School Committee when the gift is of educational value. In the case of gifts or donations from industry, business, or special interest groups that advertising or promotion may be involved in, we will follow policy KHB.

Gifts that would involve changes in school plants or sites will be subject to School Committee approval.

Gifts will automatically become the property of the school district. Any gift of cash, whether or not intended by the donor for a specific purpose, will be accepted by vote of the School Committee, handled as a separate account and expended at the discretion of the Committee, as provided by law.

The Committee directs the Superintendent to assure that an appropriate expression of thanks is given all donors.
