## EXPANDED LEARNING AT COLLINGWOOD SCHOOL

We have put together this Co-Curricular Guide to help you navigate all of the incredible offerings that we have for your children to get involved in for Term 3.

Co-curricular activities go hand-in-hand with academics. They provide meaningful and challenging experiences outside the classroom that spark curiosity and increase the feeling of belonging. Students are able to find their passions and interests, learn to communicate effectively with their peers, engage in meaningful community service and embrace experiences that allow them to be their best selves. Participation in co-curricular activities, service initiatives, social events and our house system are all integral parts of student life that foster a caring and inclusive culture at our school.

Our students have the ability to add to or extend their day to expand their horizons with our co-curricular activities. The catalogue of options varies throughout the school year, and students can choose from a wide variety of athletics, intramurals, teacher-led clubs, as well as our new Beyond the Bell after school programmes.

Our specific offerings are always evolving and changing each term.

### Clubs

Clubs are run by our faculty and staff to allow students the opportunity to pursue special interests, develop new talents and foster their leadership potential. These activities are usually offered at recess or after school.

**RUGBY (STARTS IN APRIL)**

Collingwood's rugby program has a proud tradition. This is open to any student who is interested in playing the game. Experience is not necessary! Players learn valuable character lessons on how to play as a team and for one another. We focus on developing the important skills of passing, running, tackling, and how to manage contact situations. All contact in practice will be with padding. Players will be provided with padded contact suits to practice tackling with far less impact. We play 7-a-side rugby against other ISEA schools in mini jamborees. The season ends with an ISEA Playday hosted at St. George's School.

Players will need cleats and we recommend a mouthguard, and navy rugby socks. You can purchase mouthguards from the PHE office for \$2 and socks can be purchased online at this [link](#). We will provide a Collingwood Rugby Jersey for games.

### **Grade 3 (season starts in late May):**

Most practices will be in the gymnasium so all you need is a good pair of running shoes to participate. If we move to the field players can wear cleats or running shoes. Rugby socks are available for purchase but not mandatory at this time ([link](#)). If we can find schools that would like to play, at that level, we will arrange some exhibition games towards the end of the season.

All information regarding Rugby can be found on the [Wentworth Athletics website](#). The passkey is: CWsports.

---

### **TRACK + FIELD (STARTS IN MAY)**

The Wentworth Track and Field Program will practice twice weekly offsite from 6:50 - 8am. We will arrange for a bus back to Wentworth for the athletes. On-site practices will be once weekly for Grades 3-7 students from 7:15 - 8:15am. Offsite practices include throws, long jumps, sprinting, and middle-distance running.

Competitions are held during the school day, after school and on weekends in various locations around Vancouver. The schedules will change depending on the event and competition. Athletes are asked to attend all practice sessions and are encouraged to attend as many competitions as possible to gain valuable experience and apply the skills practiced.

All information regarding specific team details can be found on the [Wentworth Athletics website](#). The passkey is: CWsports.

We look forward to seeing you on the track!

### **GIRLS SOCCER (STARTS AFTER SPRING BREAK)**

#### **Grade 5 Girls**

All players need to commit to the practice/game schedule. Players will be divided into teams for games. At this level we play 7 players aside and games run approximately 25-30 minutes in length. We compete in the local ISEA league as well as the ISEA Playday. Games will be held around the Lower Mainland including from the North Shore to Surrey.

#### **Grade 6 & 7 Blue Girls**

Games are played with 11 players and are approximately 50 - 60 minutes in length. We host our home games at several fields around the North Shore from Fen Burdett, Kirkstone (North Vancouver), to Ambleside. We also travel to other ISEA schools around the lower mainland. The year ends with an ISEA tournament held at Southridge School.

#### **Grade 6 & 7 Gold Girls**

All Grade 6 & 7 girls are welcome to try out for the Gold team. If they are not selected for the Gold team then they will have the opportunity to play on the Blue team. A Blue team will run as long as we have enough players to make a team. Please make sure you have shin guards, soccer socks and cleats. Students can wear their PHE clothing to practice (dress for the weather). If you need soccer socks please click on the [link](#) provided. Players are expected to travel in their school tracksuit for all games.
