REGIONAL SCHOOL DISTRICT NO. 7
BOTELLE SCHOOL- NORFOLK
Informal Budget Presentation - NORFOLK
March 27, 2024 – 6:30 p.m.
DRAFT

PRESENT: Chair Ms. Molly Sexton Read (B), Vice-Chair Mr. Robert Jerram (NH), Ms. Deborah Bell (N), Ms. Kim Crone (N), Ms. Mary Duran (B), Ms. Lisa Fragale(C), Ms. Theresa Kenneson (C), Superintendent Steven K. LePage, Director of Finance & Operations Mr. James Gaskins.

Absent: Secretary/Treasurer Mr. Noel Gauthier (NH)

CALL TO ORDER: Superintendent LePage began the Informal Budget Presentation at 6:30 p.m.

PRESENTATION OF RSD#7 PROPOSED BUDGET OVERVIEW 2024-2025

Superintendent LePage began the presentation by reviewing the goals and mission of enabling all students to achieve academic and personal excellence, and stating the budget is for \$24,270,092. This is an increase of \$814,564 and 3.47% over the 2023-2024 Budget.

Superintendent LePage discussed the budget drivers are seeking the right balance with the student needs, with limited resources. Budget drivers include significant increases in the Special Education Outplacements, the continued Specialized High School Program Support, the significant increase in the medical benefits renewal and the Athletic Trainer Requirements with new State Mandates in place. Another budget driver is keeping the department level funding increase at 0%, deferring spending on school capital needs, and the one new Ag-Ed teacher request is not included in the budget. There are also teaching position reductions. Superintendent LePage reviews the fiscal cliff considerations for RSD#7 which include budget elimination of grant funding as of June 30, 2023. Ms. Sexton arrived at 6:40 p.m. and proceeded with the presentation.

Ms. Sexton Read discussed the Social Security increases during the last five years have averaged 4.14% compared to the average RSD#7 budget increase of only 2.10% and average assessment of 1.83%. Ms. Sexton Read explained when reviewing the District Reference Groups (DRGs), which are a State classification system that groups local and regional public school districts together based on the similar socioeconomic status of their students, RSD#7 High Schools falls in the 81.3% and the RSD#7 Middle School falls 78.2% in comparison to similar classified area school districts. Ms. Sexton Read presented the Regional School District No. 7's Smarter Balance Achievement results, the range of current expenditures per pupil in the Berkshire League, PSAT and SAT comparative data and the percentage of students with AP scores of 3 or higher. Ms. Sexton Read discussed the current and projected member town enrollment and the changes in average daily membership by town.

Ms. Sexton Read presented how RSD#7 focuses on continued excellence by adding the following courses for 2024-2025: Digital Design Studio, Art Classroom Mentorship, Advanced Personal Finance, Business Classroom Mentorship, UConn ECE: If You Love It, Teach It, Journalism II, Zoology, UConn EMT Training (pending approval) and the History of Rock and Roll. Additions to World Language are Adv. Topics in Italian: Honors Film and Honors Novel. Ag Ed and Tech courses offers for the 2024-2025 school year include Ag Business Management and Fisheries Management.

Ms. Sexton Read provided an Object breakdown overview of the budget increases and decreases in salaries, benefits, purchased professional and technical services, purchased property services, supplies, property, and other objects and debt services. Explanation was provided of the major budget drivers. Excess Cost expenditures offsets reflected in special education, professional and technical services, transportation and tuitions.

Ms. Sexton Read concluded that Regional School District No. 7, the pride of the Northwest Corner, with exceptional teachers, strong administrators and support staff, and outstanding custodial staff, provides a rigorous and comprehensive educational program for all learners, and students that graduate with exceptional academic achievement results. The medical insurance cost increase is 0.84% of the total budget increase, special education & outplacement increases are 2.0% of the total budget increase. Outside of medical insurance and special education outplacement cost increases, RSD#7's total budget increase amounts to only 0.63% (The average contractual increase for all collective bargaining groups is 3.27%). The 0.63% increase over non-negotiable expenses is the result of careful planning, flat-funded or reduced spending in almost all budget accounts, and the reduction of several certified staff members in this budget. Brief discussion followed with questions in regards to tuition, transportation and enrollment.

Respectfully submitted,

Diane Barrett
Board Clerk

- Districts are reimbursed by the state for the expenses associated with educating special education students with a cost above 4.5x the per pupil expenditure (\$25,453)*. For us, that cost is \$114,539*. If a student's educational costs **do not** reach that threshold, the district pays the full amount.
- The state covers **a percentage of the amount in excess of \$114,539**. New legislation decreased the reimbursement percentage for our district to 88% of excess cost; **however, the Appropriations Committee habitually underfunds this critical grant.**
- **The Board adjusted the originally budgeted 82% in excess cost grant offsets to 71% based on newly released state information regarding this year's reimbursement rate of 71%, and the full expectation of ongoing underfunding of this account.**

Dear Mr. LePage,

This letter is to inform you of my decision to resign from Northwestern Regional School at the conclusion of the 2023-2024 contractual school year. I am very grateful for the experiences I have had here and the opportunities working in this school district has offered me. When I accepted my teaching position in 2004 I chose Northwestern because I thought working here would offer me the best opportunity to become a well-rounded and effective agriculture teacher. The skills and more importantly the relationships I have made over the years will stay with me for a very long time. I have many fond memories, but now I am looking forward to starting a new chapter.

Thank you for continuing to support the agricultural education program. I am certain that as long as the focus of the program remains on highlighting our students, the program will thrive.

Sincerely,

A handwritten signature in black ink, appearing to read "Erick Wildes", with a stylized, flowing script.
