Cooperation Month!

Parents,

There are so many ways to cooperate! Talk to your kids about how they cooperate at school. Ask them if they cooperate with their classmates.

5th Grade Parents and Science OSAS Test

Parents of fifth graders, if you would like your student to opt out of the Science OSAS exam (this is one of three state exams), you must contact the district office requesting the opt out. 541.494.6224
Opting out for the science exam is different than opting out for language arts and math.
Thank you!

Please Label Coats and Sweatshirts

Parents,
Please help us return our lost and found to your students by labeling your kiddos' coats and sweatshirts. If a student's name is in their clothing, we can return it to the student the same day they leave their item on the playground. Without the label, many items go unclaimed in the Lost and Found.
Thank you!

Roadrunners Who Rock!

We want to honor students who do a great job doing the right thing! Each day these students come to school, follow instructions and try their best! Their teachers and Mrs. Slaughter would like to recognize them!

OSAS Statewide Testing in Oregon

CPE families, we will conduct our annual OSAS, Essential Skills testing for grades 3-5 beginning in April. While these tests are used to determine the effectiveness of the school's instruction as a whole, the test also prepares our students for the exam they will have to take and pass in high school in order to graduate. Taking the elementary tests gives students the opportunity to practice this kind of test prior to middle school and high school. Should you believe your child needs to opt out of these tests, please discuss the opt out with your student's teacher and find below the necessary form to be turned in to the CPE main office. Thank you!
