## Here we go CPE! Let's Get 93% Attendance Again Trimester Two!

Thank you so much to all families who helped their student attend school for 93% of the school days for trimester one. We have the same goal for Trimester Two. This means students can miss fewer than five days between December 5 and March 14. We can do this CPE! Kids who have fewer than five absences for trimester two will receive a POPCORN PARTY WITH THE PRINCIPALS!

## Chaperoning Field Trips?

Parents,

We love having family chaperones on our field trips; however, we have two levels of rules we must follow in order to help families attend field trips. Please see below the language from both the District 6 Elementary Handbook and the Board Policy regarding student and parent participation on field trips. We are sorry for any hardship this brings to your family if the appropriate paperwork is not completed on time, but we cannot allow parents who have not been cleared by the district office to attend field trips. Further, we have included in this newsletter the link to the online volunteer paperwork that must be filled out, submitted and approved by the district office one week prior to a field trip.

Thank you!

### Field Trips

All field trips are an extension of your student's learning process, therefore classroom attendance and completed assignments are necessary before participation on any field trip. Students will only be allowed to participate in school-sponsored activities and trips upon returning a permission form completed and signed by their parent/guardian. If a student does not return a permission form to his/her teacher by the designated due date, the student **will not** be allowed to participate.

Field trips may be scheduled for educational, cultural or other extracurricular purposes. All students are considered to be "in school" while participating in district-sponsored field trips. This means students are subject to the school's student conduct rules, applicable Board policy and such other rules as may be deemed appropriate by the field trip supervisor.

#### Field Trip Chaperones:

**All persons chaperoning a field trip must have a valid Criminal History Verification on file with Central Point School District one week prior to the field trip. Siblings are not allowed to attend field trips with adult chaperones.**

## Please Label Coats and Sweatshirts

Parents,

Please help us return our lost and found to your students by labeling your kiddos' coats and sweatshirts. If a student's name is in their clothing, we can return it to the student the same day they leave their item on the playground. Without the label, many items go unclaimed in the Lost and Found.

Thank you!
