Roadrunners Are Character Strong!

Central Point Elementary families, we are so lucky to be a Character Strong School! Every teacher at CPE is providing your student with activities and instruction using Character Strong traits. **This month's trait is Perseverance.**

Family Focus: January is Perseverance Month.

Perseverance is the perfect trait for January as it is the time of year when people set goals for themselves! In order to practice perseverance, we need to set short-term goals that help us achieve our bigger goals. Technology Tips From Principal Slaughter

January is the perfect month to set new goals and rules with your student for their technology use. During the winter break, we set a new goal for my third grader that she will complete one math task and one reading task each day on the weekends before she uses her computer for anything else. We also reset the rule that all devices will be charged overnight in the kitchen rather than in bedrooms. This helps ensure our kids are not tempted to be on their devices when they should be sleeping.
