

14 March 2024

Dear Parents and Guardians

Sports Kit Update

I hope this letter finds you well.

I am writing to inform you of our decision to withdraw from our current sports kit supplier. This is not a move that we have taken lightly and after careful consideration and deliberation, we have decided to move to a new provider, Limitless. Limitless is a branch of our current school uniform provider, Schoolblazer.

Under the umbrella of Schoolblazer, Limitless has established itself as a leading provider in the independent schools market providing sports kit to over two hundred schools. It has become renowned for its exceptional provision and customer service. Therefore, we are confident that this partnership will better serve the needs of our pupils and our families.

Having taken the time to assess the various options available to us, we firmly believe that Limitless can fully support our requirements, as evidenced by the overwhelming support from numerous pupils who have been consulted regarding their range. We appreciate that change can be challenging, especially when it comes to something as significant as sports kit. Therefore, we have implemented a two-year transition period, during which pupils may continue to wear the current New Balance kit.

I am most grateful to all those who have provided feedback regarding our current provision; this input has been crucial in guiding our decision-making process. You will be able to order the new kit from early August 2024, via the Schoolblazer website, in the same way that you currently order School uniform. For those in need of sports kit in the meantime, our current supplier still offers this online in the usual way.

If you have any questions or concerns regarding this transition, please do not hesitate to contact us. We greatly value your patience and input and are committed to ensuring a smooth shift across to Limitless for all members of our school community.

Thank you for your understanding and cooperation.

Best wishes

David Byrne MBA, ACMA, CGMA
