## Welcome to 6th Grade

Our program ensures a smooth transition to middle school through engaging activities, orientation to the daily schedule, campus navigation, and supply preparation by experienced teachers.

## Junior CIT

Join our summer program for 7th-9th graders, featuring leadership training and hands-on experience assisting in Summer Adventures classes.

## Basketball Camp

Led by Coach Jason Harris, our basketball camp offers fundamental drills, games, and full-court workouts for players of all skill levels. Two sessions daily for 4th-6th and 7th-9th

Visit our website and learn more about our exciting summer programs. [www.piedmont.k12.ca.us/summer-school](http://www.piedmont.k12.ca.us/summer-school)

For more information, contact Erin Rivera, Summer Adventures Coordinator, at [erivera@piedmont.k12.ca.us](mailto:erivera@piedmont.k12.ca.us).

## **Session 1: June 5th-14th**

**Morning Sessions for 1st-5th Grade (9:00 am - 12:00 pm)! During each session, each child will have the opportunity to attend two classes per day, ensuring they engage in activities that excite and inspire them.**

### **Classes for 1st/2nd Grade:**

#### **Spanish Sprouts: Growing Language Skills**

Discover the world of Spanish in our "Play and Learn Spanish" class! Designed for beginners, this interactive program makes language learning fun through engaging games and activities. Get ready to build vocabulary, practice pronunciation, and develop conversational skills while having a blast!  
Instructor: Anabel Heredia

#### **Mandarin Magic: Discovering Chinese Wonders**

Embark on a journey of discovery in our Mandarin summer class for beginners! This theme-based program offers a unique learning experience where students delve into the world of Chinese language and culture through engaging storytelling, interactive games, lively songs, and much more.  
Instructor: Lily Chen

#### **Readers are Leaders**

Immerse in the world of literature! Explore stories, discuss themes, and unleash creativity through projects and art while mastering foundational phonics skills  
Instructor: Hafsa Shurbaji

#### **Superhero Fitness: Unleash Your Inner Hero!**

Combine fitness and fun in our "Superhero Fitness" class! Channel the energy and strength of your favorite superheroes while diving into their origins through movement and acting. Get ready to leap, bound, and soar like never before!  
Instructor: Eric Walker

#### **Crafts - Jewelry & Collages**

In this class, students will have the opportunity to create several art projects, specifically in jewelry making and designing their own collages. The first 4 days of the class will be focused on jewelry making, in which students will use beads and clay to create their own pieces to take home. In the remaining four days of class, students will design their own collages, each day focusing on a new theme, and a variety of art materials.  
Instructor: Michelle Partner

#### **Marvelous Math**

Join us for a journey through math exploration! From fraction flowers to 3D cities, discover the fun side of mathematics through hands-on activities and games.  
Instructor: Alaleh Ford

## **Session 1: June 5th-14th**

**Welcome to our Morning Sessions for 1st-5th Grade (9:00 am - 12:00 pm)! During each session, each child will have the opportunity to attend two classes per day, ensuring they engage in activities that excite and inspire them.**

### **Classes for 3rd-5th Grades:**

#### **Spanish Camp Total Immersion**

Discover the vibrant world of the Spanish language in our immersive camp! Children will engage in traditional Hispanic arts and crafts, music, movement, drama, storytelling, and interactive games—all conducted solely in Spanish. This total immersion approach mimics the natural language learning process, making it ideal for beginners and those looking to enhance their Spanish skills in a playful environment beyond the classroom.

Instructor: Deysi Sahagon

#### **Mandarin Magic: Discovering Chinese Wonders**

Embark on an exciting journey to uncover the mysteries of Chinese language and culture! Our theme-based program introduces students to Mandarin through captivating storytelling, interactive games, lively songs, and more. Perfect for beginners, this class offers a unique learning experience that will leave students enchanted by the wonders of China.

Instructor: Lily Chen

#### **Marvelous Math Minds**

Ignite a passion for mathematics with our engaging and rigorous class! Through thinking tasks, partner games, and real-world applications, students will develop critical thinking skills, problem-solving abilities, and mathematical communication. Join us as we explore mathematical concepts in an interactive and collaborative environment.

Instructor: Martina Heppner

#### **Inspiring Creativity Through Art and Writing**

Unleash creativity and cultivate literacy skills in our dynamic journal-keeping class! Students will explore various art techniques with an emphasis on color while also engaging in writing exercises inspired by their artwork. From drawing and watercolor to mixed media, this class offers a unique blend of artistic expression and literacy development.

Instructor: Aileen Finney

#### **Welcome to Joy of Baking!**

Indulge your culinary creativity in our baking class! Each day, students will explore the art of baking while learning essential kitchen and food safety practices. From cookies to cakes, students will whip up delicious treats to take home and enjoy. Don't forget your apron and food containers for the ultimate baking experience!

Instructor: Anita Cheung

## **Session 2: June 17-27**

**Morning Sessions for 1st-5th Grade (9:00 am - 12:00 pm)! During each session, each child will have the opportunity to attend two classes per day, ensuring they engage in activities that excite and inspire them.**

**Morning Sessions for 1st-5th Grade (9:00 am - 12:00 pm)! During each session, each child will have the opportunity to attend two classes per day, ensuring they engage in activities that excite and inspire them.**

### **Classes for 3rd-5th Grades:**

#### **Junior Journalists**

Step into the world of journalism and become a reporter for our class newspaper! Equipped with press badges, students will develop research, critical thinking, and writing skills as they collaborate to create engaging news stories. Through real-world experiences, students will gain a deeper understanding of language and society while honing their journalistic abilities.

Instructor: Claire Breen

#### **Spanish Camp Total Immersion**

Discover the vibrant world of the Spanish language in our immersive camp! Children will engage in traditional Hispanic arts and crafts, music, movement, drama, storytelling, and interactive games—all conducted solely in Spanish. This total immersion approach mimics the natural language learning process, making it ideal for beginners and those looking to enhance their Spanish skills in a playful environment beyond the classroom.

Students will explore various art techniques with an emphasis on color while also engaging in writing exercises inspired by their artwork. From drawing and watercolor to mixed media, this class offers a unique blend of artistic expression and literacy development.

Instructor: Aileen Finney

#### **Marvelous Math**

In this class we will be making fraction flowers, painting clock faces, making 3D cities, and much more. It is always fun to learn about multiplication with domino designs collage and to design a zoo while learning about area and perimeter. We might have to take a break from art by playing a game or two. "Oh No, 99!" will improve our mental math computation skills, while "Skunk!" can get us savvy with money. This marvelous math class recognizes that visual learning and having time to enjoy themselves can really boost students' experience with mathematics..

Instructor: Alaleh Ford

### **Welcome to TK and Kindergarten 9:00-12:00pm**

These classes are designed for students entering these grades in the fall of 2024! These special sessions offer children a sneak peek into their upcoming school experience, allowing them to familiarize themselves with a schedule akin to their kindergarten or TK classes. Our dedicated PUSD teachers and staff will guide engaging and age-appropriate activities, fostering a nurturing environment for your child to thrive in. It's a fantastic opportunity for them to make new friends, explore early learning concepts, and ease into the fall with confidence.

Instructors: Claire Stephens  
Carrie Rodrigues

### **Welcome to 6th Grade (9:00 am - 12:00 pm):**

Embark on an exciting journey as we welcome you to our 6th-grade community! Our program is designed to ensure a smooth transition to middle school, allowing students to acclimate and feel at home. Get ready to dive into the daily schedule, discovering the routine. Engage in fun, multi-disciplinary activities that give you a taste of 6th grade coursework. Learn to navigate your new campus and participate in fun games that help you build connections with other incoming students. This class will be taught by current 6th grade core teachers who are very familiar with the academics and routines of 6th grade at PMS. All students will receive and set-up most of the supplies that their 6th grade teachers will require them to have so it will be all ready for the start of the year

Instructors: Hillary Voigt  
Anjuna Lohnes

### **Afternoon Sessions 12:00 pm - 3:00 pm:**

In the afternoons, children will have the opportunity to rotate through a variety of exciting classes each day. Whether your child is drawn to art, science, basketball, soccer, or cooking, we have it all covered! Afternoon classes feature a fantastic mix of PUSD staff, coaches, players, and college students, bringing a dynamic and energetic perspective to each session.
