

The Mission of North High School is to provide all students with the knowledge and skills necessary to excel in college, career, military and life.

North High School News 3/26/24

Superintendents Book of the Month Club

A big shout out to our student readers and teachers for pushing literacy in our building. North was recognized as reading the most books out of all high schools for the month of February with 115. We have already surpassed that amount for the month of March. These books are above and beyond what they read in their scheduled courses.

End of Marking Period Three is upon us. Beginning this summer and beyond, summer school and credit recovery courses will no longer be free. There will be a fee for each semester credit earned. It is so important to pass classes each marking period to stay on-track for graduation. Please feel free to reach out to your student's counselor or principal if you would like to meet regarding academics. We are offering **tutoring** at lunch and after school. We can set this up for you. Remember, 9th grade students will not be promoted to 10th grade unless they have earned at least 4 credits with 2 of them being in core subject areas.

Spring break begins March 29th and students return to school on April 9, 2024. April 8th is a professional development day for teachers. Students will be given solar eclipse information along with glasses on March 28th for the solar eclipse on April 8th. **It is important that students continue to work on practice OST questions over the break for one hour each day. Teachers have been working on this.** It is important that students return to school on April 9.

Ohio State Tests will begin on April 16, 2024. It is important for students to attend school everyday during testing. We will start each day with a test or other activity that is important to each student and staying on-track for graduation. Please see the testing dates below.

Tue	Wed	Thur	Friday
April 16 ELA 10, Algebra I, Government - Part One	17 ELA 10, Algebra I, Government - Part Two	18 Biology Part One	19 Biology Part Two
23 Geometry Part One	24 Geometry Part Two	25 US History- Parts 1 and 2	26 ELA Window Closes

Senior Graduation is rapidly approaching. We have intentionally tried to set up meetings with families to make sure that your child is on the right track to graduate. Please don't hesitate to contact your child's counselor or academy principal if you have any questions. We want every student to earn their diploma. Please check your students' grades often as we approach the end of the school year.

Attendance

Please check the home access center to make sure your students are attending school daily and on-time. Attendance is tracked by the number of minutes missed from school. Truancy is based on the hours of missed school. We have been working with individual students to develop better attendance habits. Good attendance is a key college and career readiness skill.

Please see back of letter

Safety Reminder

Please remind your students to cross the streets at the crosswalks on the way home from school. We have very busy streets around North High School and we want students to be safe.

Final Exam Exemption Requirements may be found on our North High School website.

North High School Website

North does have a school website on the Akron Public Schools website. Go to www.akronschools.com. On the top right you will find a drop down menu. Click on the menu and you will see high schools . Click on high schools which will show all of Akron's High Schools. Click on North High School to find up to date news and events.

Translated versions will on on our North High School website
