SAN ANGELO ISD ANNUAL ENROLLMENT

During the annual enrollment period **each employee is required to meet with a First Financial representative**. Employees will have the opportunity to review, change or continue benefit elections each year.

- Employees must review their personal information and verify that dependents they wish to provide coverage for are included in the dependent profile. Additionally, you must notify your employer of any discrepancy in personal and/or benefit information.
- Employees must confirm on each benefit screen (medical, dental, vision, etc.) that each dependent to be covered is selected in order to be included in the coverage for that particular benefit. **Social Security numbers and full legal name of dependents will be required for coverage.**

Changes are not permitted during the plan year unless a qualifying event occurs.

SAN ANGELO ISD SECTION 125 CAFETERIA PLAN GUIDELINES

A Section 125 Flexible Benefit Plan (cafeteria plan) allows you, the employee, to select from a list of available benefits that will meet your family's benefit needs. Certain benefit premiums are deducted from your gross earnings before federal withholding taxes are calculated. The amount you elect to have deducted "pre-tax" actually lowers your taxable income. By implementing this plan, your employer is helping you reduce your taxes and increase your take home pay. The example below illustrates how the cafeteria plan can work for you.

	With Section 125	Without Section 125
Monthly Salary	\$3,000.00	\$3,000.00
Insurance (Pre-Tax)	(700.00)	n/a
Less Estimated TRS (7.7%)	(231.00)	(231.00)
Taxable Gross Income	\$2,069.00	\$2,769.00
Federal Income Taxes (20%)	(413.80)	(553.80)
Insurance (After Tax)	(75.00)	(775.00)
Take Home Pay	\$1,580.20	\$1,440.20

Pre-tax enrollment is automatic unless you decline this benefit. **Elections made during annual enrollment will become effective on the plan effective date and will remain in effect during the entire plan year.**

Changes in benefit elections can occur only if you experience a qualifying event. You must present proof of a qualifying event to your Benefit Office within 31 days of your qualifying event and meet with your Benefit/HR Office to complete and sign the necessary paperwork in order to make a benefit election change. Benefit changes must be consistent with the qualifying event.

Changes in Status (CIS):	Qualifying Events:
Marital Status	A change in marital status includes marriage, death of a spouse, divorce or annulment (legal separation is not recognized in all states).
Change in Number of Tax Dependents	A change in number of dependents includes the following: birth, adoption and placement for adoption. You can add existing dependents not previously enrolled whenever a dependent gains eligibility as a result of a valid change in status event.
Change in Status of Employment Affecting Coverage Eligibility	Change in employment status of the employee, or a spouse or dependent of the employee that affects the individual's eligibility under an employer's plan (includes commencement or termination of employment).
Gain/Loss of Dependents' Eligibility Status	An event that causes an employee's dependent to satisfy or cease to satisfy coverage requirements under an employer's plan (may include change in age, student, marital, employment or tax dependent status).
Judgment/Decree/Order	If a judgment, decree, or order from a divorce, annulment or change in legal custody requires that you provide accident or health coverage for your dependent child (including a foster child who is your dependent), you may change your election to provide coverage for the dependent child. If the order requires that another individual (including your spouse and former spouse) covers the dependent child and provides coverage under that individual's plan, you may change your election to revoke coverage only for that dependent child and only if the other individual actually provides the coverage.
Eligibility for Government Programs	Gain or loss of Medicare/Medicaid coverage may trigger a permitted election change.
Purchase of a Health Plan Through a Competitive Marketplace	Purchase of a Qualified Health Plan through a competitive marketplace established under §1311 of the Patient Protection and Affordable Care Act, commonly referred to as an Exchange or a Health Insurance Marketplace.

SAN ANGELO ISD NEW HIRE ENROLLMENT

Health Insurance: All new hire enrollment elections for TRS-ActiveCare Health Insurance must be completed by going into the First Financial Group online enrollment system **within the first 31 days of employment**. Failure to complete health insurance elections during this timeframe will result in the forfeiture of coverage.

Supplemental Benefits: You can review the available optional/supplemental benefits in this booklet or by going to the First Financial Group website to request additional information. In order to enroll in any of these optional/supplemental benefit plans, **you MUST contact a First Financial Group representative**.

SAN ANGELO ISD EMPLOYEE ELIGIBILITY REQUIREMENTS

Supplemental Benefits: Eligible employees must work 20 or more regularly scheduled hours each work week.

Eligible employees must be actively at work on the plan effective date for new benefits to be effective, meaning you are physically capable of performing the functions of your job on the first day of work concurrent with the plan effective date.

For example, if your 2024-2025 benefits become effective on September 1, 2024, you must be actively at work on September 1, 2024 to be eligible for your new benefits.

SAN ANGELO ISD DEPENDENT ELIGIBILITY REQUIREMENTS

Dependent Eligibility: You can cover eligible dependent children under a benefit that offers dependent coverage, provided you participate in the same benefit, up to 26 years of age (varies by plan).

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator.

After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

Worldwide Support

If a member has a dental emergency outside the U.S., AXA Assistance can help. AXA provides credible provider referrals and can even help with making the appointment. Providers referred by AXA are not members of the Ameritas network. AXA contact information is available in the secure member account.

Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Physician Expense Benefit

Injury - \$100.00 per Injury
Sickness - \$50.00

If you need personal treatment by a physician due to an Injury or Sickness, we will pay the amount shown above provided no other claim has been paid under the policy. This benefit will be paid for Sickness only if the treatment is received during one full day of Disability during which you missed one full day of work. To be eligible for more than one payment for the same or related condition due to Sickness, you must have returned to work for at least 14 consecutive scheduled workdays. You are not required to miss one full day of work in order to receive the Injury Benefit.

Accidental Death Benefit

A lump sum of \$20,000 will be paid to your designated beneficiary if you die as the direct result of an Injury within 90 days after the Injury.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin after you've met your elimination period.

Survivor Benefit

A lump sum benefit equal to 3 times the Disability payment will be paid if on the date of your death your Disability had continued for 90 or more consecutive days and you were receiving or entitled to receive Disability payments. The Survivor Benefit may be paid earlier if you have a terminal illness.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after Disability payments have been received for 90 consecutive days. We will require proof annually that you remain Disabled during that time.

Donor Benefit

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group Disability income.
- Governmental or other retirement system, whether due to Disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your Disability.
- State Disability.
- Unemployment compensation.
- Workers' Compensation law, occupational disease law or any similar act or law.
- Sick leave or other salary or wage continuance plans provided by the employer which extend beyond 365 calendar days from the date of Disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

For the first 12 months you are Disabled due to a covered Disability and not working, we will pay the disability benefit described in the benefit schedule. After 12 months, your disability payment will be the disability benefit described in the benefit schedule less any deductible sources of income you receive or are entitled to receive. No Disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Return To Work Incentives: Disabled and Working

If you are Disabled and working, you may be eligible to continue to receive a percentage of your Disability payment in addition to your Disability earnings. If your Disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

- **Worksite Accommodation**

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Alcoholism and Drug Addiction Limited Benefit

If you are Disabled due to alcoholism or drug addiction, a limited benefit of up to 2 years for each Disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for Injury or Sickness, it will be covered the same as any other Sickness.

Aflac Group Critical Illness

**INSURANCE – PLAN INCLUDES BENEFITS
FOR CANCER AND HEALTH SCREENING**

We help take care of your
expenses while you take
care of yourself.

Aflac can help ease the financial stress of surviving a critical illness.

Chances are you may know someone who's been diagnosed with a critical illness. You can't help notice the difference in the person's life—both physically and emotionally. What's not so obvious is the impact a critical illness may have on someone's personal finances.

That's because while a major medical plan may pay for a good portion of the costs associated with a critical illness, there are a lot of expenses that may not be covered. And, during recovery, having to worry about out-of-pocket expenses is the last thing anyone needs.

That's the benefit of an Aflac Group Critical Illness plan.

It can help with the treatment costs of covered critical illnesses, such as a heart attack or stroke.

More importantly, the plan helps you focus on recuperation instead of the distraction of out-of-pocket costs. With the Critical Illness plan, you receive cash benefits directly (unless otherwise assigned)—giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

- Heart Attack (Myocardial Infarction): The date the infarction (death) of a portion of the heart muscle occurs. This is based on the criteria listed under the heart attack (myocardial infarction) definition.
- Kidney Failure (End-Stage Renal Failure): The date a doctor recommends that an insured begin renal dialysis.
- Major Organ Transplant: The date the surgery occurs.
- Non-Invasive Cancer: The day tissue specimens, blood samples, or titer(s) are taken (diagnosis of cancer and/or carcinoma in situ is based on such specimens).
- Skin Cancer: The date the skin biopsy samples are taken for microscopic examination.
- Stroke: The date the stroke occurs (based on documented neurological deficits and neuroimaging studies).

Dependent means your spouse or your dependent child. Spouse is your legal wife or husband, (in Delaware, Illinois, Nevada, Oregon, or Washington DC - or a person who is in a legally recognized domestic partnership, civil union, or similar relationship with you), who is listed on your application. Dependent children are your or your spouse's natural children, step-children, legally adopted children, or children placed for adoption, who are younger than age 26 (in Indiana, this includes children subject to legal guardianship). Newborn children are automatically covered from the moment of birth.

There is an exception to the age-26 limit listed above. This limit will not apply to any dependent child who is incapable of self-sustaining employment due to mental or physical handicap and is dependent (in Arkansas, chiefly dependent) on a parent for support. The employee or the employee's spouse must furnish proof of this incapacity and dependency to the company within 31 days (in Indiana, 120 days) following the dependent child's 26th birthday.

- In South Dakota, this limit will not apply to any child who is incapable of self-sustaining employment and is chiefly dependent upon the insured for support and maintenance.
- In Texas, this limit will not apply to any dependent child who is incapable of self-sustaining employment due to mental or physical handicap and is dependent on a parent for support and maintenance. Dependent Children may also include grandchildren, who are unmarried, under age 26, and if they are your dependents for federal income tax purposes, or if you must provide medical support under an order issued under Chapter 154, Family Code, or enforceable by a court in this state.

- In New Mexico, coverage may be provided for the children of custodial and non-custodial parents.
- In Illinois, coverage of an unmarried dependent child who is under age 30 and who served in the military will not terminate if he/she is an Illinois resident, served as a member of the active or reserve components of any United States Armed Forces branch, and has received a release or discharge (other than a dishonorable discharge). To be eligible for coverage, the eligible dependent must submit to us a form approved by the Illinois Department of Veterans' Affairs stating the date on which the dependent was released from service.
- In Louisiana, dependent children must be unmarried and may also include grandchildren who are in the legal custody of and residing with a grandparent. Regarding the Age 26 limit exception - we will not require proof of incapacity and dependency more frequently than annually after the two-year period following the child's attainment of the limiting age.

Diagnosis (Diagnosed) refers to the definitive and certain identification of an illness or disease that:

Stroke will be covered only if the Insured submits evidence of the neurological damage by providing:

- Computed Axial Tomography (CAT scan) • Magnetic Resonance Imaging (MRI). images, or

Sudden Cardiac Arrest is the sudden, unexpected loss of heart function in which the heart, abruptly and without warning, stops working as a result of an internal electrical system heart malfunction due to coronary artery disease, cardiomyopathy, or hypertension.

Sudden Cardiac Arrest is not a heart attack (myocardial infarction). A sudden cardiac arrest benefit is not payable if the sudden cardiac arrest is caused by or contributed to by a heart attack (myocardial infarction).

Total Disability or Totally Disabled means you are:

- Sustained Multiple Sclerosis means a chronic degenerative disease of the central nervous system in which gradual destruction of myelin occurs in the brain or spinal cord or both, interfering with the nerve pathways. Sustained Multiple Sclerosis results in one of the following symptoms for at least 90 consecutive days:

neuroradiological examination.

Optional Benefit is one of the illnesses defined below and shown in the rider schedule: Advanced Alzheimer's Disease means Alzheimer's Disease that causes the insured to be incapacitated. Alzheimer's Disease is a progressive degenerative disease of the brain that is diagnosed by a psychiatrist or neurologist as Alzheimer's Disease. To be incapacitated due to Alzheimer's Disease, the insured must:

- Exhibit the loss of intellectual capacity involving impairment of memory and judgment, resulting in a significant reduction in mental and social functioning, and

Benign Brain Tumor is a mass or growth of abnormal, noncancerous cells in the brain. The tumor is composed of similar cells that do not follow normal cell division and growth patterns and develop into a mass of cells that microscopically do not have the characteristic appearance of a Cancer. Benign Brain Tumor must be caused by Multiple Endocrine Neoplasia, Neurofibromatosis, or Von Hippel-Lindau Syndrome.

- Multiple Endocrine Neoplasia is a genetic disease in which one or more of the endocrine glands are overactive or form a tumor.
- Neurofibromatosis is a genetic disease in which the nerve tissue grows tumors that may be benign and may cause serious damage by compressing nerves and other tissue.
- Von Hippel-Lindau Syndrome is a genetic disease that predisposes a person to have benign or malignant tumors.

Activities of Daily Living (ADLs) are activities used in measuring levels of personal functioning capacity. These activities are normally performed without assistance, allowing personal independence in everyday living. For the purposes of this plan, ADLs include the following:

Cleft Lip occurs when there is an opening (one or two vertical fissures) in the lip. A Cleft Palate occurs when the two sides of a palate do not join, resulting in an opening in the roof of the mouth or soft tissue in the back of the mouth. Sometimes, an opening in the bones of the upper jaw or upper gum accompanies a Cleft Palate.

A Cleft Lip or Palate can occur on one or both sides of the face. If a Dependent Child has both a Cleft Lip and Cleft Palate or has one on each side of the face, we will pay this benefit only once.

Aetna Hospital Indemnity Plan

Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion.

What is the Hospital Indemnity Plan?

The plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or delivering a baby. It also pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with a stay in the hospital.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like paying for:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

...or for anything else **you** choose.

Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered stay in a hospital. And, benefits get paid directly to you by check or direct deposit.

The Aetna Hospital Indemnity Plan is underwritten by Aetna Life Insurance Company (Aetna).

Because it happens

\$1.24 trillion was spent on hospital services in 2020. **60%-65%** of all bankruptcies are related to medical expenses¹.

Ready...or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna Hospital Indemnity Plan. He filed his claim and the benefits were deposited right into his bank account.

That money helped make up for the time he missed while recovering, and paid some of his deductible. Now, he can focus more on his health.

A Simplified Claims Experience™

Register on the **My Aetna Supplemental** app or on the member portal at **Myaetnasupplemental.com** to view plan documents, submit and track claims, and sign up for direct deposit.

Filing a claim is easy! Click "Report New Claim", answer a few quick questions, and upload or take a picture of your medical bill. You can also print and mail a paper claim form to Aetna Voluntary Plans.

Strengthen Your Family's Financial Plan

Life insurance is an essential piece of a robust financial plan. While there is no replacement for losing a loved one, **Term Life Insurance** can help protect your family in your absence. It supplies short-term coverage at a competitive price. Term Life Insurance can help fill temporary needs for those on a limited budget.

61% of adults in the United States have no individual life insurance.¹

Life insurance provided by your employer is a significant benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy can help supplement your existing coverage. Plus, you own this policy, meaning you can take it to a different job or retirement.

Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

Final Expenses

Funeral Costs • Unpaid Medical Bills

Income Replacement

Mortgage/Rent • Other Loans

Nest Egg

Estate Planning • Retirement Goals

Term Life Insurance is a great option for your working and earning years when costs are usually at their highest.

Premiums will remain the same for the initial term period selected.³ The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Three Easy Steps to Get Covered

1

Select a Term Period

Choose from a 10, 20, or 30 year term.

2

Answer Three Health Questions⁴

Only three health questions are required to issue coverage. You do not have to take part in any invasive medical exams.

3

Get Death Benefit Coverage Immediately⁵

Your death benefit coverage starts when you sign the application.

³Rates will be adjusted on each renewed term period. ⁴Issuance of the policy may depend on the answer to these questions. ⁵Interim coverage for death will be in force from the date your application is signed if, on such date, the proposed insured is insurable per our underwriting guidelines for the requested coverage per the terms of the policy. This interim coverage for death will remain in force until the earlier of 1) the date a policy becomes effective, 2) the date we decline the application, or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness. ⁶Example is based on a 20-year term, monthly, non-tobacco, base policy with no attached riders. See your American Fidelity account manager for specific ages, rates, term periods or face amounts. ⁷Premiums remain level for the initial term period selected. If you choose the 10 or 20-Year Term Life Plan, the renewal date will be every 10 or 20 years until the policy anniversary following age 70 or 60, respectively. Thereafter, premiums are renewable annually. The 30-Year Term Life Plan is renewable annually after the initial term period. All term plans expire on the policy anniversary following age 90. Rates will be adjusted on each renewed term period.

Accelerated Benefit Summary and Disclosure Notice

THIS DOCUMENT SERVES ONLY AS A SUMMARY AND A DISCLOSURE NOTICE. PLEASE REFER TO YOUR POLICY OR RIDER FOR ACTUAL CONTRACT PROVISIONS.

THE POLICY/RIDER PROVIDES AN ACCELERATED BENEFIT OPTION. YOU SHOULD CONSULT WITH A PERSONAL TAX ADVISOR IF YOU ARE CONSIDERING ELECTING PAYMENT UNDER AN ACCELERATED BENEFIT PROVISION. BENEFITS AS SPECIFIED IN THE POLICY/RIDER WILL BE REDUCED UPON RECEIPT OF AN ACCELERATED BENEFIT PAYMENT. RECEIPT OF ACCELERATED BENEFIT PAYMENTS: 1) MAY BE TAXABLE; 2) MAY AFFECT YOUR ELIGIBILITY FOR BENEFITS UNDER STATE OR FEDERAL LAW; AND, 3) DO NOT AND ARE NOT INTENDED TO QUALIFY AS LONG-TERM CARE INSURANCE.

The policy and/or rider you are applying for has an Accelerated Benefit provision. The provision allows a portion of the death benefits to be advanced if certain conditions are met. Please see policy/rider for conditions and definitions, as applicable.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The maximums vary by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Long Term Illness, if this optional rider is attached to the policy; and
 - 2) Accelerated Benefit for Terminal Condition.
- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value

may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.

- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- **This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.**

Accelerated Benefit for Long Term Illness (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. The maximum payable is the lesser of 50% of the Eligible Proceeds available at the time of claim payable in two equal annual payments up to a maximum of 25% of the Eligible Proceeds per year for two consecutive years; or \$100,000 payable in two equal annual payments up to a maximum of \$50,000 per year for two consecutive years. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
- **The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.**

Your coverage may be continued with certain stipulations. See certificate for details.

TERMINATION OF COVERAGE

Your insurance may terminate when the plan is terminated; the 31st day after the premium due date if the premium has not been paid; or the date you no longer belong to an eligible class. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was in force. See certificate for details.

If this coverage will replace any existing individual policy, please be aware that it may be in your best interest to maintain your individual guaranteed-renewable policy.

Notice to Consumer: The coverages provided by Continental American Insurance Company (CAIC) represent supplemental benefits only. They do not constitute comprehensive health insurance coverage and do not satisfy the requirement of minimum essential coverage under the Affordable Care Act. CAIC coverage is not intended to replace or be issued in lieu of major medical coverage. It is designed to supplement a major medical program.

Ensure you and your family are protected from unexpected costs when you use emergency transportation by adding MASA to your benefits.

MASA's solution is simple — with us, there is no “out-of-network.” We work as a payer, not a provider. You simply call 911 when there is an emergency, and you'll never have to worry about what ambulance provider picks you up. When the ambulance bill arrives, send it to MASA. We'll advocate for you to ensure the ambulance charges are accurate and your insurance company has paid its portion; then we cover the remaining balance including your deductibles and co-pays.

Maximum Benefit Amount pays a maximum of \$20,000 per occurrence for Emergency Air Ambulance and Emergency Ground Ambulance Coverage. Out-of-pocket expenses are paid for costs that remain after applying any primary insurance that needs to be paid for by the insured with personal financial resources covered explicitly under the Emergent Plus member service agreement for Hospital to Hospital coverage. Total costs are paid for Repatriation to Hospital Near Home Coverage when MASA MTS arranges the transportation service. Please refer to the Emergent Plus Transportation Services member service agreement documents for complete details.

MEDICAL FSA

A Flexible Spending Account (Health FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Your employer has chosen the \$610 roll-over option for your Health FSA plan. This option allows you the opportunity to roll over up to \$610 of unclaimed Health FSA funds into the following plan year. Keep in mind that balances more than \$610 will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution is \$3,050 for 2023.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left over the \$610 in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.

If you are married and file a separate tax return, the limit is \$2,500.

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

Using Your Benefits Card

For Medical FSA & Dependent Day Care Accounts

Your FF Benefits Card allows you to use your Medical FSA and/or Dependent Day Care Account to pay for out-of-pocket healthcare expenses without having to submit a claim and wait for reimbursement.

You can pay instantly for approved medical, dental, vision, prescription, and dependent day care expenses – **Just swipe your card and save your receipt.**

Why save your receipt?

The IRS requires proof that the expense is eligible. Some merchants use IIAS (Inventory Information Approval System) to confirm IRS approved over-the-counter medications, products, or services, but for those that don't, the IRS wants to know what you used your card to pay for.

As a result, unless a claim can be auto-substantiated by IIAS, you are required to submit documentation to First Financial Administrators, Inc.

You should always save your itemized receipts for medical and daycare expenses, and all of the explanation of benefits (EOBs) you receive from health, pharmacy, vision, and/or dental plans.

So, what do you do if you received a request to submit document?

It's easy using our FF Flex Mobile App!

Login and click on the "Claims" icon. Select the pending claim and choose "Add receipt". Upload or take a photo of the documentation right from your mobile device.

Your receipt or EOB must include:

1. Date of purchase or date service was incurred
2. Amount you were required to pay after insurance
3. Detailed description of the product or service
4. Merchant or provider name
5. Dates of Service & Tax ID for Dependent Care Charges
(Only expenses for services already incurred will qualify for reimbursement.)
6. Patient name (if applicable)

You may also submit your documentation by:

- **Laptop/Computer:** Login to the Online Portal at www.ffga.com
- **Mail:** Send by mail to First Financial Administrators, Inc.,
PO Box 161968, Altamonte Springs, FL 32716
- **Email:** Scan a copy or photo of the receipt to
First_Financial_Receipts@Alegeus.com
- **Fax:** Send by fax to 800-298-7785

So don't forget - after you swipe your card, save your receipt!

HEALTH SAVINGS ACCOUNTS

Administered by First Financial Administrators, Inc.

What is a Health Savings Account (HSA)?

HSAs were created to help control healthcare costs. They provide a savings vehicle that allows you to set aside money to pay for higher deductibles associated with lower monthly premium High Deductible Health Plans (HDHP). The money you save in monthly insurance premiums may be aside for eligible medical expenses you incur in the future. Your HSA balance rolls over from year-to-year earning interest along the way. The account is portable. Upon retirement or separation of service, you take the HSA with you because it's your money and your account.

HSAs Offer a Triple Tax Advantage

- » The money you put in to the account is deducted from your paycheck before tax
- » The interest and earnings you make on the account grow tax free
- » Distributions for eligible medical expenses are tax free

Key Advantages of an HSA

- » No end-of-year forfeiture of funds
- » Portable account
- » Provides an excellent savings vehicle for healthcare expenses
- » No monthly account fees
- » Free eStatements when you opt in for electronic delivery

Your HSA as an Investment Account

HSA's are often overlooked as powerful retirement tools. The more you save, the more you earn. The account offers significant tax advantages and provides opportunities to invest in mutual funds. Account holders can choose to invest any funds over the minimum threshold the bank requires for various investment options. This is a great way to potentially grow your savings for future healthcare costs or retirement.

Online Bill Pay

You can request funds online to pay your provider directly from your HSA account.

Distribution Request Form

You can fax or mail a Distribution Request Form to receive your funds by check or direct deposit.

Is it possible to get a distribution without an eligible medical expense?

- » If you are under 65, you may incur a 20% penalty and the funds are subject to taxation.

Keep good records of your expenses

Receipts are NOT required at the time of distribution. Employee FAQ:

Health Savings Accounts

What is a health savings account (HSA)?

An HSA is a tax-advantaged personal savings account that can be used to pay for medical, dental, vision and other qualified expenses now or later in life. To contribute to an HSA you must be enrolled in a qualified high-deductible health plan (HDHP) and your contributions are limited annually. The funds can even be invested, making it a great addition to your retirement portfolio.

Why should I participate in an HSA?

Funds contributed to an HSA are triple-tax-advantaged.

- 1. Money goes in tax-free.** Most employers offer a payroll deduction through a Section 125 Cafeteria Plan, allowing you to make contributions to your HSA on a pre-tax basis. The contribution is deposited into your HSA prior to taxes being applied to your paycheck, making your savings immediate. You can also contribute to your HSA post-tax and recognize the same tax savings by claiming the deduction when filing your annual taxes.
- 2. Money comes out tax-free.** Eligible healthcare purchases can be made tax-free when you use your HSA. Purchases can be made directly from your HSA account, either by using your benefits card, ACH, online bill-pay – or, you can pay out-of-pocket and then reimburse yourself from your HSA.
- 3. Earn interest, tax-free.** The interest on HSA funds grows on a tax-free basis. Unlike most savings accounts, interest earned on an HSA is not considered taxable income when the funds are used for eligible medical expenses.

What expenses are eligible for reimbursement?

Health plan co-pays, deductibles, co-insurance, vision, dental care, and certain medical supplies are covered. The IRS provides specific guidance regarding eligible expenses. (See IRS Publication 502).

Am I eligible to participate?

In order to contribute, you must be enrolled in a qualified HDHP, not covered under a secondary health insurance plan, not enrolled in Medicare, and not another person's dependent. You also cannot be enrolled in a traditional Flexible Spending Account for you or your spouse. There are no eligibility requirements to spend previously-contributed HSA funds.

What is a high-deductible health plan?

An HDHP is a health insurance plan with deductible amounts that are greater than \$1,500 for individual or \$3,000 for family coverage and have an out-of-pocket maximum that does not exceed \$7,500 for individual or \$15,000 for family coverage in 2023.

In 2024, these limits increase to \$1,600 for individual or \$3,200 for family coverage and out-of-pocket maximums that do not exceed \$8,050 for individuals or \$16,100 for families.

How do I contribute money to my HSA?

Payroll deduction is most likely offered by your employer. Your annual contribution will be divided into equal amounts and deducted from your payroll before taxes. Direct contributions can also be made from your personal bank account and can be deducted on your personal income tax return.

Can I change my contributions to my HSA during the year?

Yes. You will not be subject to the change-in-status rules applicable to other benefit accounts. You will be able to make changes in your contributions by providing the applicable notice of change provided by your employer.

How much can I contribute to my HSA?

Contributions can be made by the eligible employee, their employer, or any other individual. Annual contributions from all sources may not exceed \$3,850 for individuals or \$7,750 for families in 2023. In 2024, annual contributions from all sources may not exceed \$4,150 for singles or \$8,300 for families.

Individuals aged 55 and over may make an additional \$1,000 catch-up contribution.

Do I have to spend all my contributions by the end of the plan year?

No. HSA money is yours to keep. Unlike a flexible spending account (FSA), unused money in your HSA isn't forfeited at the end of the year; it continues to grow, tax-deferred.

What happens if my employment is terminated?

HSAs are portable and move with you if you change employment. Your HSA belongs to you, not your employer, just like your personal bank account.

How do I access the funds in my HSA?

You are responsible for ensuring the money is spent on qualified purchases only and maintaining records to withstand IRS scrutiny. Payments can be made via ACH, online bill-pay, or debit card, depending on what is available to you.

When must contributions be made to an HSA for a taxable year?

Contributions for the taxable year can be made in one or more payments at any time after the year has begun and prior to the individual's deadline (without extensions) for filing the eligible individual's federal income tax return for that year. For most taxpayers, the deadline is April 15 of the year following the year for which contributions are made.

What happens to the money in my HSA if I no longer have HDHP coverage?

Once you discontinue coverage under an HDHP and/or get secondary health insurance coverage that disqualifies you from an HSA, you can no longer make contributions to your HSA. However, since you own the HSA, you can continue to use the remaining funds for future healthcare expenses.

Is tax reporting required for an HSA?

Yes. IRS form 8889 must be completed with your tax return each year to report total deposits and withdrawals from your account. You do not have to itemize to complete this form.

Can I still deduct healthcare expenses on my tax return?

Yes, but not the same expenses for which you have already been reimbursed from your HSA.

Download our FF Mobile Account App for easy access to your HSA account. Find it on Google Play and the App Store!

Can I withdraw the money for non-healthcare purchases?

Yes. If you withdraw the money for an unqualified expense prior to age 65, you'll be subject to your ordinary income tax, in addition to 20 percent tax penalty. You can withdraw the money for any reason without penalty after age 65, but are subject to applicable income taxes.

Can I roll over or transfer funds from my previous HSA into my new HSA?

Yes. Pre-existing HSA funds may be rolled into a new HSA and will continue their tax-free status. Contact your First Financial Account Manager for assistance.

Can I control how the funds are invested?

Yes. Once your HSA cash account balance reaches the minimum amount required by the custodian, you can transfer funds to an HSA investment account. You can choose from a selection of mutual funds and setup an allocation model for future transfers like you would for a 401(k) plan.

Can I transfer funds between the cash and investment accounts?

Yes. You can transfer money between your HSA cash and HSA investment account at any time.

Will my HSA eligibility be affected if I have funds in my General Purpose Flexible Spending Account at the end of my plan year?

To make HSA contributions, your General Purpose Flexible Spending Account must have a zero balance at the end of the plan year.

What happens to my HSA when I resign or retire?

The HSA is yours to keep whether you resign, are terminated, retire from or change your job. You will continue to have access to your account and funds. However, nominal bank fees may be incurred if you are no longer enrolled in your HSA through your employer.

Will I receive a separate Benefits Card for my HSA, Dependent Care Account, and Limited Purpose FSA?

All First Financial administered consumer driven health plans can be accessed using the same benefits card.
