On behalf of the SunRidge Educational Foundation, I am reaching out to request your support for our upcoming 15th annual online auction, scheduled to take place from **May 9 to May 19, 2024**.

SunRidge School holds a special place in our community, serving 235 students in grades K-8 in Sebastopol. Our school's success and the enrichment of our students' educational experiences depend greatly on the generosity of individuals and businesses like yours.

Your support will directly contribute to several vital projects aimed at enhancing our school's facilities and programs. We are looking to make significant improvements, including:

- **Enhancing our playground equipment**
  - **Upgrading our sports equipment**
  - **Providing new sports uniforms for our athletic teams**
  - **Adding new books and readers to our library**
  - **Updating our art supplies for creative exploration**
  - **Improving our outdoor spaces with hill work, gardening supplies, decomposed granite, and topsoil**
  - **Supporting our Middle School Science department with new equipment and resources**
- And more...**

We believe that these enhancements will greatly benefit our students and faculty, providing them with a better environment to learn, grow, and thrive. Your donation to our cause will not only support SunRidge School but also align your organization with the progress and success of our community's educational institution.

SunRidge School is a nonprofit, 501c3 organization, and all donations are tax-deductible to the fullest extent allowed by law. Your generosity will directly impact the lives of our students and contribute to the continued success of our school.

We kindly invite you to donate to support SunRidge School in Sebastopol, CA. Your contribution, whether from a private party or a business, will make a meaningful difference in the lives of our students.

To make your donation or learn more about our auction, please visit our auction site <https://www.biddingforgood.com/sunridge>

Thank you for considering this request. Your support is invaluable to us, and we are immensely grateful for your consideration.

Warm regards,

*Robert Simmons*
