

Hoover High School ACIP 2023-2024

Hoover High School

Vision

All students are life long learners prepared to contribute positively to a rapidly changing world.

Mission

Hoover High School exists to provide a learning environment for academic excellence where students think critically, take responsibility for their actions, are connected to the community, and are challenged to reach their individual potential for success in the future.

Beliefs

- Every student is valued and encouraged to be connected to the school community.
- Students learn best when challenged and actively engaged in relevant, contextual, and meaningful activities.

Learning and CCRI Gains

Objectives

- Maintain High Expectations for Growth of All Student Groups

Critical Initiatives

- Implement knowledge from the professional learning study on "Building Relationships" and "Communicating High Expectations" from Dr. Robert Marzano's The New Art and Science of Teaching.
- Conduct a Mock ACT Exam for all 11th grade students to prepare for the state ACT test in March.
- Implement ACT instruction and strategies from the ACT professional development.

Professional Growth

Objectives

- Provide Strategic and Relevant Professional Development and Support for Teachers

Critical Initiatives

- Implement monthly PLC Leader meetings to build leadership and instructional capacity in faculty members.
- Conduct a professional learning study on "Building Relationships" and "Communicating High Expectations" from Dr. Robert Marzano's The New Art and Science of Teaching.
- Conduct professional learning from Cantrell and Waller on ACT instruction and strategies.

Learning for all students

Objectives

- Provide High Quality Tier I Instruction

Critical Initiatives

- Implement monthly PLC Leader meetings to communicate instructional expectations for High Quality Tier I Instruction, to discuss effective PLCs, and to implement the use of data-driven decision making.
- Conduct classroom walkthroughs and utilize a common walkthrough form to collect classroom data.
- Analyze testing data (Horizon, PreACT, and Mock ACT) to develop plans of action for student growth.

Climate and Culture

Objectives

- Cultivate a Positive School Climate and a Culture of Character

Critical Initiatives

- Develop faculty committees to engage staff members and promote a positive climate.
- Attend the Hope Leadership Academy to develop a caring community and culture of character (Character Team).
- Create a Student Advisory Council that meets monthly with administration.
- Create opportunities for parent engagement.

Key Measures

- Classroom Walkthroughs
- PLC Discussions/Documentation
- Professional Learning
- Administration of Mock ACT
- PLC Data Discussions

Key Measures

- PLC Discussions/Documentation
- Professional Learning
- Classroom Walkthroughs
- PLC Data Discussions

Key Measures

- PLC Discussions/Documentation
- PLC Data Discussions
- Walkthrough Data
- Walkthrough Form
- Student Testing Data

Key Measures

- Committee Meetings
- Committee Initiatives
- Professional Learning
- Attendance from Community Events
