

# Rocky Ridge Continuous Improvement Plan for 2023-24

## Rocky Ridge Elementary School

### Vision

Our Rocky Ridge Community of lifelong learners will be committed problem solvers and responsible global citizens.

### Mission

Our community will foster a safe, supportive, environment and collaborate to create engaging learning experiences.

### Beliefs

Staff: We believe that every student counts and is capable of success. Parents: We have power in coming together as a community to help all children reach their highest potential. Students: We believe in the power of learning.

#### High Quality Instruction

##### Objectives

- Provide equitable access to high-quality, rigorous, and engaging instruction by implementing the district curriculum for core academic subjects.
- As a STEM accredited school, provide multiple opportunities inside and outside of the classroom to engage in STEM learning.

##### Critical Initiatives

- Continue to focus on and strengthen tier 1 instruction for all students.
- Develop and implement yearly STEM goals based on Cognia STEM standards.

#### Professional Development

##### Objectives

- Provide a cohesive professional development plan that aligns student learning outcomes with instructional practices.

##### Critical Initiatives

- Provide multiple opportunities to unpack the new reading standards, implement the Reading Benchmark Curriculum, and deepen implementation of Math Envisions program.
- Assist all teachers in creating their professional learning plan and help them to achieve both school and personal teaching goals.

#### High Growth Expectations

##### Objectives

- Track students beyond tier 1 and identify performance and growth for subgroup populations including ELL, Special Ed, racial groups, and poverty.

##### Critical Initiatives

- Create multiple programs, processes, and tools to support learning beyond tier 1 instruction such that ALL students can grow academically.

#### Positive Culture/Climate

##### Objectives

- Cultivate a positive school climate that creates the necessary conditions for teaching and learning.

##### Critical Initiatives

- Evaluate and grow practices to increase school safety.
- Create an environment where all stakeholders feel valued and work towards shared expectations.
