AGREEMENT made this ___ day of June, 2023 by and between the NORTH MERRICK UNION FREE SCHOOL DISTRICT BOARD OF EDUCATION, Town of Hempstead, Nassau County, New York (hereinafter called the “Board”), and the NORTH MERRICK FACULTY ASSOCIATION (hereinafter called the “Association”).

WITNESSETH

WHEREAS, Article 14 of the Civil Service Law of the State of New York has provided the basis for collective negotiations between public employers and organizations representing their employees; and

WHEREAS, the Board is a public employer as defined in said Civil Service Law, and the Association is an organization representing public employees; and

WHEREAS, both the Board and the Association are desirous of implementing the said Civil Service Law, complying therewith and making such agreements between them as will continue the harmonious relationship which has heretofore existed between the Board and the Association; and

WHEREAS, both parties firmly believe that their primary function is to assure each child attending the North Merrick schools the highest level of educational opportunity available; and

WHEREAS, the Board recognizes that teaching is a profession and the Association, in turn, recognizes that the Board is charged by law with important responsibilities, duties, and obligations to its constituency; and

WHEREAS, the parties have met for the purpose of discussing and entering into an agreement and have concluded that the objectives of an educational program are realized to the highest degree when mutual understanding, cooperation, and effective communications exist between the Board, the members of the professional staff, and the organization representing them;

NOW, THEREFORE, in consideration of the foregoing and of the mutual promises and covenants herein contained, it is mutually agreed between the parties as follows:

ARTICLE I – RECOGNITION

The Board hereby recognizes the Association as the sole and exclusive negotiating representative of the personnel described in Article II. Such recognition shall continue in force and effect for the maximum period permitted by law.

ARTICLE II – NEGOTIATING UNIT

The negotiating unit covered by this agreement shall be designated as the Instructional Unit (“Unit No. 2”) and shall consist of all teachers and other professional staff.

Effective February 1, 2010, long-term substitutes shall be defined as any substitute who replaces a teacher and who serves continuously in a single position for more than fifty (50) days. For purposes of the foregoing: (a) any such substitute who serves as a long-term substitute through the end of a school year and is reappointed to the same single position for the next school year shall be deemed to be in continuous service; and (b) such "single position" shall be defined as a position occupied by the same teacher who is on leave and who is being replaced by such substitute.

Notwithstanding the foregoing nothing herein shall constitute, be deemed or construed to constitute any modification, limitation, or reduction of the District's (i.e., the Superintendent's and/or the Board's) rights to hire, transfer or terminate the employment of any unit member, pursuant to applicable law.

ARTICLE III – NEGOTIATING PROCEDURES

It is contemplated that by May 1st of each year that this Agreement is in force, the parties will enter into good faith negotiations concerning the terms and conditions of employment for the following school year, unless, of course, this Agreement or any renewal thereof is for a period longer than one (1) year, in which event the negotiations shall commence on May 1st of the year prior to the expiration of this Agreement or any renewal term.

ARTICLE IV – EDUCATIONAL CONSULTATION

The parties affirm that because of the special nature of the educational process, matters of mutual concern may arise from time to time. The parties agree that it is in the public interest that opportunities for mutual discussion of these matters be afforded on a regular basis. Accordingly, and to that end, meetings between representatives of the parties will be held quarterly during the school year or whenever the need for same shall arise.

ARTICLE V – RIGHTS AND PRIVILEGES OF ASSOCIATION

A. The Association shall have the right to post notices, without prior approval or notification, of its activities and matters of Association concern on teacher bulletin boards, at least one of which shall be provided in the faculty room of each school building. The Association may use the District mail services and teacher mailboxes for communications to teachers. Announcements of meetings may be listed in school activity bulletins, and the public address system may be used for announcing the date, time, and place of meetings.

B. A representative of the Association shall be permitted to address the faculty before or after all faculty meetings. A representative of the Association shall also be permitted to address new teachers at an orientation session.

C. The Board agrees to furnish to the Association all available information as will assist the Association in developing positions for the purpose of collective negotiations, together with information which may be necessary for the Association to process any grievance or complaint.

D. The following shall only be applicable if the Board agenda and meeting minutes are not available on the District's website. The official agenda for each Board meeting will be transmitted to the Association no later than the morning of the day prior to such meeting, or as soon thereafter as possible. Five copies of the minutes of the Board meeting will be transmitted to the Association as soon as possible following the meeting at which they are approved. In addition to the official minutes, an unofficial transcript of the Board minutes will be transmitted to the President of the Association at the same time as unofficial minutes are distributed to the Board.

E. When negotiations or any step in the grievance or arbitration procedure are conducted during the school day, those representatives of the Association necessary to the conduct thereof shall be permitted to do so without loss of salary or benefits.

F. The Board agrees to duplicate a sufficient number of copies of this Agreement in order to distribute a copy to each teacher covered thereby. The cost of printed copies shall be shared equally by the Board and the Association.

G. Instructors for in-service courses shall be selected in the discretion of Administration from those that have applied.

ARTICLE VI – CURRICULUM ADVISORY COMMITTEE

A. A Curriculum Advisory Committee (“CAC”) shall be established by the Board and the Association and shall be comprised of two (2) teachers from each school designated by the Association, and such administrators and supervisors as the Board shall designate. The parties agree that to the extent practicable there shall be a reasonable connection between the charge that has been established by the Superintendent of Schools and the teacher's assignment, certification area or prior experience. Subject to Board approval, the Committee shall have authority to appoint additional members as they deem necessary on an ad hoc basis. Each member shall serve for one (1) school year.

B. Regular meetings of the CAC shall be held during the school year outside regular school hours. The Committee shall be convened as soon as practicable but no later than November 1st of the school year and whenever possible meetings shall be scheduled on Tuesdays. In a given school year, based on a written charge for curriculum development from the Superintendent to the CAC, each CAC member shall be awarded one in-service credit for each block of fifteen (15) hours of service. Bargaining unit members who are no longer eligible for in-service credit shall receive \$500 in lieu of each in-service credit. Total service shall not exceed thirty (30) hours in a given year.

C. Special meetings may be scheduled during school hours as deemed necessary with the approval of the Superintendent. These will not be credit bearing hours.

D. The substance of the recommendations of the Curriculum Advisory Committee shall not be subject to the grievance and arbitrations procedures herein.

E. There shall be no summer curriculum work without the Superintendent's assignment for it in writing designating the project and the teachers who will work on it as well as the number of hours for which each teacher will be compensated. Compensation for summer curriculum work shall be in accordance with Appendix "E".

ARTICLE VII – SCHOOL CALENDAR

A. Prior to the establishment of the school calendar, the parties shall participate in the development of said calendar for the school years covered by this Agreement.

B. Effective July 1, 2006, the maximum number of days of required teacher attendance shall be 184. There shall be no deviation from or change in the school calendar except by mutual agreement between the Board and the Association.

C. Superintendent Conference Days: The school calendar shall provide for Superintendent conference days at the commencement of the school year. The Board shall provide the following insurance programs for each of the eligible teachers covered by this Agreement, as hereinbelow set forth:

A. Health Insurance:

1. The Board shall provide individual or family coverage pursuant to the New York State Empire Health Insurance Plan. Effective July 1, 2017, the Board shall pay 79% of the cost of an Association member's health insurance coverage, and the Association member shall be required to pay the remaining 21% of such coverage, which shall increase to 22% effective July 1, 2026.

Employees hired on or after June 30, 2019 shall be required to contribute 22% for their health insurance coverage.

2. A health insurance plan providing a total benefits package comparable to the plan in existence on June 30, 1999, or the plan at the time of the alternate proposal may be instituted by the District, upon written notice to the Association, which notice shall include a copy of the plan including costs and premiums. The Association shall have sixty (60)

days to review and analyze such plan. The District shall cooperate in providing all relevant information requested by the Association. Should the Association object to the institution of the new plan, the matter shall be submitted to an impartial panel which shall be appointed within sixty (60) days of the original date of Board presentation of the plan to the Association. The panel shall be comprised of three persons with expertise in health insurance. Each party shall designate one member of the panel. These two members shall select the third. If they are unable to agree, the third member shall be selected through the procedures of the American Arbitration Association. The impartial panel members shall have the authority to hold hearings and review submissions of the parties and shall render a decision sixty (60) days following their appointment. The new plan shall not become effective unless and until the Association agrees that benefits are comparable or the impartial panel so holds.

3. The cost to the retirees (past and present) shall not exceed that as prescribed by the State pursuant to the Empire Plan in effect June 30, 1999, whereby the cost to the District is 50% for individual coverage and 35% for family coverage. The cost to the District shall be raised from 50% to 52% for individual coverage and from 35% to 37% for family coverage for employees retiring from the District on or after June 30, 2019. Teachers who are currently employed in the District, and who retire hereafter and have completed no less than twenty (20) years as a teacher in the District, shall have their required contribution towards the District's health insurance program reduced by \$1,000 a year for ten (10) years following retirement or until age 65, whichever is sooner.

4. Teachers shall have the option to withdraw from participation in the Health Insurance Plan, or change coverage from family to individual. Teachers who exercise these options must notify the District in writing, by May 1st, of their intentions. Effective July 1, 2019, those members of the Association who elect to "opt-out" of the Health Insurance program offered by the District as provided for in Article IX(A)(3) shall receive a benefit of a total of \$8,400 for family or \$3,600 for individual (or from family to individual); half (½) distributed in the first paycheck in January and half (½) distributed the last paycheck in June. For employees hired to the unit on or after July 1, 2023, the health insurance opt-out shall be \$7,400 for family coverage and \$2,600 for individual coverage.

5. Teachers who have withdrawn from the District's Health Insurance Plan shall, upon request, be reinstated to coverage under the District's Health Insurance Plan subject to the rules and regulations of the Health Insurance Plan in effect. If the teacher requests reinstatement during a school year, the teacher shall receive a prorated portion of the amount designated in Article IX(A)(4). This change can be made once a year.

6. Effective July 1, 1993, any new employee whose spouse is working in the District, or is working elsewhere in the State of New York for a public employer, and who is afforded family coverage under the Empire Plan or its successor, shall not be eligible to receive the health insurance benefits hereunder. However, should the spouse be required to contribute to the cost of paying the premium for said coverage, the District will reimburse the employee accordingly, but in no event should that reimbursement exceed the

amount of money the District pays employees who exercise the option to change from family coverage to individual coverage, as set forth herein. Should such employee's spouse no longer be afforded the aforesaid coverage, the employee shall be entitled to the health insurance benefits hereunder pursuant to the rules and regulations of the Empire Plan or its successor.

ARTICLE X – PROFESSIONAL DUES DEDUCTION

A. The Board agrees to deduct from the salaries of teachers covered by this Agreement membership dues for the Association. On this same deduction, the Board further agrees to deduct from the salaries of teachers, membership dues on behalf of the New York State United Teachers, and the American Federation of Teachers, provided, however, that such teachers shall have authorized deduction for membership dues of the Association. All dues deduction authorizations shall be in writing and signed by the teacher to whom it applies.

B. The Association shall advise the Board in writing as to the amount of such membership dues and the sums to be deducted from the regular paychecks of the teachers who have authorized the deductions. The Board shall remit to the Association within ten (10) days following such deduction the aggregate sum thereof, and shall make available to the Association such payroll records as will enable the Association to determine the persons for whom the deduction has been made and the amount deducted for each person.

C. The aforesaid deduction authorizations shall be irrevocable during the term of this Agreement and shall continue in force and effect for each successive year thereafter, unless the teacher notifies both the Board and the Association in writing, by registered mail, during the period from September 1st through September 10th, that he/she desires that the Board discontinue the payroll deduction.

D. Deductions for New York State Retirement Systems loans, U.S. Savings Bonds, Teachers Federal Credit Union, and NYSUT Member Benefits Trust, and VOTE/COPE shall be made for all teachers who authorize such deductions in writing. VOTE/COPE deductions shall only be made in March and April. It shall be the District's responsibility to remit payment to the proper agencies as soon as practicable.

ARTICLE XI – TAX-SHELTERED ANNUITIES

In conjunction with an appropriate salary reduction agreement, the Board shall purchase annuities for such employees who have authorized in writing such purchase and deduction of expense from their salaries, in accordance with the provisions of Section 3109 of the State Education Law, the amount of such deductions to be remitted to the service provider for application to a non-forfeitable annuity account maintained under the terms of a contract or contracts qualifying for purposes of Section 3109, issued by said service providers. It shall be the District's responsibility to remit payment to the service providers within the time frame legally mandated by the Internal Revenue Service, after any invoice is received, unless the District has reason to dispute such invoice.

Before the initialization of salary reduction, a completed salary reduction agreement must be submitted to and approved by the Business Official. Any changes in the amount of contribution and/or service provider must be preceded by a new salary reduction agreement.

ARTICLE XII – JURY DUTY

Any absence due to jury duty shall be considered an excused absence and shall not be charged against sick or personal leave. In granting this paid leave, the District shall pay the absentee performing such duty only part of his/her salary, the difference being made up by the employee's receipt of jury fees.

ARTICLE XIII – SICK LEAVE

A. New teachers in their first year of employment shall accrue their twelve (12) annual sick leave days at the rate of 1.2 days per month during their ten (10) months of employment in the school year. Any such teacher who applies to draw in excess of his/her accrued sick days shall execute an authorization to the District to deduct such draw in excess of accrual from his/her final paycheck in the event of his/her termination by resignation or discharge prior to the completion of the school year.

B. Each teacher shall be allowed twelve (12) days sick leave in each school year without loss of salary plus accumulated sick leave unused by such teacher in any prior school year or years in this District. In no event shall the accumulated leave exceed 180 days, excluding the twelve (12) days of the current year.

C. Each teacher whose employment in this District commences after the beginning of the school year shall be entitled to one (1) day of current sick leave for each month, or major fraction thereof, from the date of such employment to the end of the year.

D. Sick leave used during the current year shall not be replenished by unused leave from prior years in excess of leave credited to the teacher in accordance with paragraph "B" above.

E. The Board shall notify teachers by November 1st of each year as to the amount of accumulated sick leave credited to each teacher.

F. Sick leave shall be used in cases of bona fide illness of the individual teacher or their family requiring said teacher to be absent from school. The Superintendent may require a statement or affidavit of the absentee or a medical certificate in respect to each such illness.

G. 1. In an effort to provide continuity of instruction, the parties agree that teacher retirements or resignations should be effective at the end of the school year. Unless unusual circumstances exist, in order to receive payments for sick days, the teacher must provide the District with a letter of intent to retire or resign by March 15th of the respective year.

2. Each teacher hired prior to February 1, 2010, after giving proper notice in writing to the District of a teacher's intention to retire and also proper written notice to the New York State Teachers' Retirement System and provided that such teacher shall actually retire pursuant to such notice, he/she shall be granted an increase in current salary equivalent to one (1) day of current pay for each two (2) days of such teacher's accumulated unused sick leave in the District, to be paid in accordance with subparagraph 5 hereof. If death should occur after proper written notice is given to the District by the teacher, but before actual retirement, such increase in salary to which the teacher would have been otherwise entitled to receive pursuant to the provisions of this paragraph will be paid to the teacher's beneficiary, if designated, otherwise to the estate of the teacher.

3. Each teacher hired prior to February 1, 2010, after giving proper notice in writing to the District of a teacher's intention to leave the employ of the District for reasons other than retirement, involuntary separation, or request for resignation by the District, such teacher shall be granted an increase in current salary equivalent to current pay for accumulated sick leave in the District, in accordance with the following schedule or, at the option of the teacher, be paid a lump sum payment therefore:

- a. Up to and including 15 years of service - 20% of accumulated sick leave.
- b. From more than 15 years to and including 20 years of service - 30% of accumulated sick leave.
- c. From more than 20 years of service - 50% of accumulated sick leave.

If death should occur while in the employ of the District, such increase in salary to which the employee would have been entitled to receive will be paid to the teacher's beneficiary, if designated, otherwise, to the estate of the teacher. No teacher hired subsequent to February 1, 2010 shall be entitled to any benefit pursuant to this paragraph.

4. Each teacher hired subsequent to February 1, 2010, after giving proper notice in writing to the District of a teacher's intention to retire and also proper written notice to the New York State Teachers' Retirement system, and provided that such teacher shall actually retire

pursuant to such notice, he/she shall be granted an increase in current salary equivalent to one (1) day of current pay for each five (5) days of such teacher's accumulated unused sick leave in the District to be paid in accordance with subparagraph 5 hereof. If death should occur after proper written notice is given to the District by the teacher, but before actual retirement, such increase in salary to which the teacher would have been otherwise entitled to receive pursuant to the provisions of this paragraph will be paid to the teacher's beneficiary, if designated, otherwise to the estate of the teacher. Employees hired on or after June 30, 2019, may not be paid more than 175 accumulated days for payout as per this provision.

5. The sick leave calculated in accordance with Article XIII(G), Paragraph 2, 3 and/or 4, shall be remitted by the District on behalf of each eligible employee in the form of a Non-Elective Employer Contribution, which shall be subject to all of the provisions of Appendix "G".

H. Catastrophic Sick Leave Bank: Those teachers who become seriously ill, disabled, or who experience a catastrophic event and who have exhausted his/her sick leave allowance may utilize up to sixty (60) days which have been contributed by other teachers. The Superintendent may require supporting medical documentation relating to such illness, disability, and/or catastrophic event. In the event that a seriously ill or disabled teacher seeks to utilize in excess of sixty (60) days, such approval shall be at the discretion of the Superintendent and the Board of Education.

ARTICLE XIV – LEAVE FOR PERSONAL REASONS

A. Each teacher shall be allowed five (5) days leave without loss of salary in each school year for personal reasons. This leave is in addition to the sick leave referred to in Article XIII above, and all unused personal days shall be accumulated as sick days. It shall be pro-rated for teachers whose employment in this District commences after the beginning of the school year. When days allowed for sick leave have expired due to illness, personal leave days may be substituted at the discretion of the Superintendent. However, in no event shall unused personal days increase the 180 maximum on the accumulation of sick days in Article XIII, Section B.

B. To qualify for a personal reasons leave day, a teacher must certify, in writing on a prescribed district form as per Appendix "H", to the Administration that his/her personal reason is required, and that the business involved cannot be handled outside of regular working hours. In addition, except for emergencies, a teacher must submit his/her application for a personal leave day at least forty-eight (48) hours before the intended taking of same.

C. In addition to the five (5) days leave without loss of salary for personal reasons each teacher shall be allowed up to two (2) additional days leave without loss of salary for bereavement for loss of members of his/her family.

ARTICLE XV – LEAVE FOR MEDICAL REASONS

In the event it is established by competent medical evidence that a teacher on tenure is required to take a leave of absence for health reasons, the Board shall grant a leave of absence, without pay, for a period not to exceed one (1) school year.

In the event it is established by competent medical evidence that such teacher is required to take additional leave of absence time extending the initial leave, the Board shall grant a leave of absence, without pay, for a period not to exceed an additional school year.

A probationary teacher, however, may receive only one medical leave of absence as provided by this provision during her/his probationary term for a period not to exceed the end of the school year in which the leave is granted. If the probationary teacher is unable to return at the end of the leave, the probationary appointment will be terminated.

ARTICLE XVI – UNPAID LEAVE OF ABSENCE

A. A leave of absence of up to two (2) years shall be granted to any teacher upon application and approval by the Board for the purpose of participating in exchange teaching programs in other states, territories, or countries, provided said teacher states his/her intention to return to the school system. Upon return from such leave, a teacher shall be placed on the same step of the salary schedule as he/she occupied on the date of commencement of such leave.

B. A leave of absence of up to two (2) years shall be granted to any teacher upon application and approval by the Board, for the purpose of participating in foreign or military teaching programs, provided said teacher states his/her intention to return to the school system. Upon return from such leave, a teacher shall be placed on the same step of the salary schedule as he/she occupied on the date of commencement of such leave. If the teacher returns during a semester, he/she shall be given priority on the list of substitutes.

C. A leave of absence of up to two (2) years shall be granted to any teacher, upon application and approval of the Board, for the purpose of joining the Peace Corps, Vista, Teacher's Corps, or Job Corps, as a full-time participant in such program, provided the teacher states his/her intention to return to the school system. D. Upon return from such leave, such teacher shall be placed on the same step of the salary schedule as he/she occupied on the date of commencement of such leave.

E. A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist in lieu of induction for military duty in any branch of the Armed Forces of the United States. Upon return from such leave for the duration of his/her induction or first enlistment, a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the District during such period.

F. A leave of absence for personal reasons not to exceed two (2) years, may be granted to any teacher upon application and approval by the Board. Upon return from such leave, a teacher shall be placed on the same step of the salary schedule as he/she occupied on the date of commencement of such leave.

G. In order to ensure that teachers on leave of absence for more than one year maintain professional contact with their schools, the District may forward to these teachers: copies of principals' weekly bulletins; copies of district-wide and faculty agenda/minutes where applicable; and copies of handouts from district workshops where applicable. Teachers will attend one in-school workshop during school hours within the first month of their return to work.

ARTICLE XVII – CHILD CARE LEAVE

A. Upon sixty (60) days prior written notice, or less where medically warranted, child care leave of up to two (2) years, plus the balance of the semester during which the leave commences, shall be granted. Upon the completion of a child care leave and the birth or adoption of another child, a second and consecutive child care leave shall be granted. However, no child care leave will be granted thereafter until the teacher has returned to active service for a full school year. Teachers may return from child care leave only at the beginning of a school semester, unless another date is mutually agreed to by the teacher and the Superintendent. This Agreement shall not be interpreted or applied so as to decrease the professional advantages and benefits heretofore enjoyed by teachers, unless expressly stated herein.

B. Rules and regulations governing the activities of teachers within school buildings shall be uniform throughout the District.

A. Either party to the agreement, upon written notice to the other, may submit a grievance for resolution in accordance with the procedure set forth herein below. B. All grievances initiated by the Association shall be in writing and shall include a concise statement of the nature of the dispute, and the position of the Association with respect thereto.

C. All grievances must be presented within 14 days after the incident or occurrence which gave rise to the grievance, or when the grievant or Association should have had knowledge of the same. Such grievances shall be resolved as follows:

Step 1:

The grievance shall be presented to the Building Principal of the teacher or teachers concerned therewith. Such Principal shall then meet and confer with the designated Association school representative and such teacher or teachers. In the event the grievance is not resolved within seven (7) days following presentation to the Building Principal, the Association shall have seven (7) days thereafter to proceed to Step 2.

Step 2:

The grievance may be submitted to the Superintendent. The Superintendent shall meet and confer with the President of the Association and/or his/her designated representatives. In the event the grievance is not resolved within seven (7) days following submission to the Superintendent, the Association shall have seven (7) days thereafter to proceed to Step 3.

Step 3:

The grievance may be submitted to the Board. The Board shall then consider the grievance at its next regular or special meeting and, upon request, permit the President of the Association and/or his/her representatives to attend such meeting and present evidence, facts, and arguments in support of its position. In the event the grievance is not resolved within 30 days following submission to the Board, the Association shall have thirty (30) days thereafter to bring the matter to arbitration at Step 4.

Step 4:

G. All grievances initiated by the Board shall be submitted in writing to the President of the Association and shall include a concise statement of the nature of the dispute and the position of the Board with respect thereto.

H. The failure of an aggrieved party to raise a grievance within the prescribed time period, or to proceed to the next step within the time limits set forth, shall be deemed to be an acceptance of the decision previously rendered, and shall constitute a waiver of any future appeal concerning the particular grievance. However, in the event new facts are obtained which were not previously known to the aggrieved party (or which new facts he/she had no reason to have knowledge) but which, if known would have influenced the disposition of the grievance, the presentation of such information to the parties in interest shall constitute grounds to reopen the grievance procedure at the level at which it had been terminated, provided such reopening occurs within fourteen (14) days of knowledge by the grievant of the new facts. Furthermore, in the event a decision has been rendered in a grievance and the decision has not been implemented, or has been violated, the presentation of such evidence to the parties in interest shall constitute grounds to reopen the grievance at the level at which it had been terminated.

APPENDIX G MANDATORY CLAUSES

1. **No Cash Option** No employee may receive cash in lieu of or as an alternative to any of the Employer's Non-Elective Contribution(s) described herein. See paragraph 8 & 9 for a description of the nature of the non-elective employer contributions.
2. **Contribution Limitations** In any applicable calendar year, the maximum Employer Contribution shall not cause an employee's 403(b) account to exceed the applicable contribution limit under Section 415(c)(1) of the Code, as adjusted for cost-of-living increases. For Employer Non-Elective Contributions made post-employment to former employees' 403(b) account, the Contribution Limit shall be based on the employee's compensation, as determined under Section 403(b)(3) of the Code and in any event, no Employer Non-Elective Contribution shall be made on behalf of such former employee after the fifth taxable year following the taxable year in which that employee terminated employment.

In the event that the calculation of the Employer Non-Elective Contribution referenced in any of the preceding paragraphs exceed the applicable Contribution Limits, the excess amount shall be distributed by the Employer as follows:

- A. For all members in the New York State Teachers' Retirement System ("TRS") with a membership date before June 17, 1971¹, the Employer shall first make an Employer Non-Elective Contribution up to the Contribution Limit of the *Internal Revenue Code* and then pay any excess amount as compensation directly to the Employee. In no instance shall the Employee have any rights to, including the ability to receive, any excess amount as compensation unless and until the Contribution Limit of the *Internal Revenue Code* are fully met through payment of the Employer's Non-Elective Contribution; and
- B. For all members in the New York State Teachers' Retirement System ("TRS") with a membership date in the TRS on or after June 17, 1971, and for all members in the New York Employees' Retirement System regardless of their membership date, the Employer shall first make an Employer Non-Elective Contribution up to the Contribution Limit of the *Internal Revenue Code*. To the extent that the Employer Non-Elective Contribution exceeds the Contribution Limit, such excess shall be reallocated to the Employee the following year as in

¹ Explanation for TRS Categories: Under Education Law § 501 (11)(a), the calculation of a pre- June 17 TRS Tier 1 member's last five years final average salary (upon which a member's life- time pension is, in part, calculated) includes any non-ordinary income (such as termination pay) which is received as compensation prior to December 31st of the year of retirement. Thus, such a member would benefit from receiving, as compensation, in their final year of employment, that portion of the Employer Non-Elective Contribution, which is in excess of the maximum Contribution Limits of IRC §415.

The final average salary of all other members of the TRS (*i.e.*, all TRS members with a membership date on or after June 17, 1971) may not include any form of Termination Pay, therefore, the Employer's post-retirement payment into the employee's 403(b) account of that portion of the Employer Non-Elective Contribution, which is in excess of the maximum Contribution Limits of IRC §415, is more advantageous for those members.

Employer Non-Elective Contribution (which Contribution shall not exceed the maximum amount permitted under the code), and in January of each subsequent year for up to four (4) years after the year of the Employee's employment severance, until such time as the Employer Non-Elective Contribution is fully deposited into the Employee's 403(b) account. In no case shall the Employer Non-Elective Contribution exceed the Contribution Limit of the *Internal Revenue Code*.

3. **403(b) Accounts** Employer contributions shall be deposited into the ING Life Insurance and Annuity Company ("ING") 403(b) account of each recipient employee. If the employee does not have an ING 403(b) account, the Employer shall deposit the employer contributions in the name of the employee, into an ING account established in the employee's name. Agents from ING will be allowed reasonable access to the School District's facilities in order to assist the employees and District's representatives in fulfilling applicable 403(b) legal requirements. Upon the request of the District, the ING agents will assist District's representatives in calculating the annual maximum allowable 403(b) contribution under the *Internal Revenue Code*, based upon salary and payroll information provided to the ING representative by the District.
4. **Tier I Adjustments** Tier I member with membership dates prior to June 17, 1971, Employer Non-Elective Contribution hereunder will be reported as non-regular compensation to the New York State Teachers' Retirement System.
5. This APPENDIX shall be subject to IRS regulations and rulings. Should any portion be declared contrary to law, then such portion shall not be deemed valid and subsisting, but all other portions shall continue in full force and effect. As to those portions declared contrary to law, the Association and Employer shall promptly meet and alter those portions in order to provide the same or similar benefit(s) which confirm, as closest as possible, to the original intent of the parties.
6. This APPENDIX shall further be subject to the approval of the 403(b) Provider, which shall review the APPENDIX solely as a matter of form and as the provider of investment products designed to meet the requirements of Section 403(b) of the *Internal Revenue Code*. Upon request, ING Life Insurance and Annuity Company ("ILIAC") agrees to provide the Employer with ILIAC's standard hold harmless agreement where the Employer has selected ILIAC as the provider of 403(b) account for receipt of Employer Non-Elective Contributions.
7. Both the Employer and Employee are responsible for providing accurate information to the 403(b) Provider. This information includes both Elective and Employer Non-Elective Contributions and the amount of the participant's Includible Compensation.
8. If the District offers a Local Retirement Incentives ("LRI") during this existing collective bargaining agreement, the LRI shall be remitted by the District as a Non-Elective Employer Contribution, which shall be subject to all the provisions of the Appendix.
