As a condition of employment the Superintendent of the Gulfport School District will become a member of the Public Employees Retirement System (PERS).

The chief financial officer (CFO) will cause to be deducted from the salary of each member on each and every payroll period the percentage of average compensation as defined and required by Sections 25-11-103 and 25-11-123 of the Mississippi Code 1972. The District will contribute to the Mississippi State Public Employee's System for each employee's average compensation as defined and required by Section 25-11-103 (I) of the Mississippi Code. The CFO will cause the contributions to be paid to the State Public Employee's Retirement System on the schedule and in the manner prescribed by law.

The District will not participate in the employee's contribution and/or pro rata interest for any employee or former employee's retroactive coverage for such employee's eligible service when such service occurred prior to July 1, 1973.

Employees will be retired from public employment under such conditions and provisions established by the Public Employee Retirement System (PERS).
