The number of hours of actual teaching that constitutes a school day will be not less than five hours nor more than eight hours and will be determined by the Board of Trustees. §37-13-67

The teaching day as defined by the Superintendent is a day in which additional time will be allotted for instructional time, duty time, before and after instructional time, planning time, faculty meetings, in-service training and other activities necessary for the daily operation of the school. PTA/PTO meetings and other school events necessitate the faculty and staff being on duty at times other than the regular school day.

Each principal will provide for a uniform work day that is practical and consistent with the safe and efficient administration of the school.
