

Descriptor Term: SUPERVISION - Certified Personnel

Descriptor Code: GBH

Rescinds: GBH

Board Approved: 6/26/2006

Previously Approved: 11/02/1998

The Board of Trustees expects its administrative and supervisory staff to help and encourage certified staff members to develop their professional skills for optimum service to students. Each principal or assistant principal, supervisor, director and other central office staff is expected to maintain frequent contact and supervision of certified personnel to assist all staff in providing maximum learning opportunity for students.
