

Descriptor Term: HEALTH EXAMINATIONS

Descriptor Code: GAH

Rescinds: GBRA

Board Approved: 6/26/2006

Previously Approved: 11/02/1998

Gulfport School District employees will not be required to furnish certificates certifying them to be free from tuberculosis in an infectious state as a prerequisite to employment or as a condition of continued employment. However, the Board of Trustees and/or the state health officer or representative remain vested with the authority to require any school employee to submit to a thorough physical examination, deemed advisable to determine whether he or she has any infectious or communicable disease. 37-11-17

No person suffering from tuberculosis in an infectious or communicable stage will be employed by the District. 37-11-13

Legal Reference: Mississippi Code 1972, as cited
