

Descriptor Term: ACCELERATION

Descriptor Code: IHEB

Rescinds: IHEB

Board Approved: 8/28/2006

Previously Approved: 2/1/1988

The Board of Trustees is committed to the establishment of an educational program for the intellectually gifted and talented students of the Gulfport School District. The administration and professional staff will consider acceleration of such students as one means of providing sufficient educational challenges.

Acceleration will be approved by the principal only, following discussion with each student's guidance counselor, teachers, and with the approval of the student and his/her parents.
