A written report will be provided to parents four times a year to include all subjects in which students are enrolled. This report will indicate the student's general achievement, behavior, and attendance.

All students in the Gulfport School District will receive a quarterly written report indicating the student's general academic achievement for a nine (9) week period.

Mid-term progress reports will be issued to all students in the middle of each academic quarter. This mid-term progress report measures the students' progress.

Student levels of achievement included in these reports are in accordance with the grading policy of the District.
