Board Approved: 8/28/2006

Previously Approved: 2/1/1988

The Superintendent will develop a curriculum according to the rules and regulations established by the Board of Trustees which will provide driver education training to eligible students of the Gulfport School District.

The Board will provide the facilities and the necessary personnel. The program will be open to all District students who are fifteen years of age or above and regularly enrolled in the tenth grade.

A temporary driving permit entitles the holder, provided the permit is in his immediate possession, to drive a motor vehicle other than a motorcycle on the highways of the State of Mississippi for a period of sixty (60) days when accompanied by a licensed operator who is actually occupying the seat beside the driver. For any student participating in a driver education course established by the laws of the state, and otherwise qualified to obtain a temporary driving permit, the effective period for such temporary driving permit will be extended to the end of the semester in which the course is given.
