

Descriptor Term: SPECIAL PROGRAMS FOR GIFTED STUDENTS

Descriptor Code: IDDD

Rescinds: IDDD

Board Approved: 1/08/2007

Previously Approved: 8/28/2006

The Gulfport School District will provide special education services to students who are identified as intellectually gifted by their demonstration of ability, capacity of high performance, and need for differentiated educational programs and services beyond those normally provided by the regular school program. The students will be so identified by professional and qualified persons.

Services for intellectually gifted students will be provided according to the regulations and standards of the Mississippi Department of Education.
