

Descriptor Term: GOALS AND OBJECTIVES

Descriptor Code: JA

Rescinds: JA

Board Approved: 11/27/2006

Previously Approved: 4/4/1988

The principal objective of the Board of Trustees will be to provide maximum educational opportunity for each student to develop in accordance with his/her individual needs, abilities and level of maturity. Teachers will make every effort to help each student achieve his/her maximum development mentally, physically, socially, and emotionally so that each student may properly adjust to our complex democratic society.

The Gulfport School District will support its educational program with services necessary for students' health, safety, and personal well being.
