

Descriptor Term: STUDENT VOLUNTEERS

Descriptor Code: JI

Rescinds: JI

Board Approved: 4/04/1988

Previously Approved:

The Board of Trustees encourages the use of student volunteers in the educational program and in useful community services. However, student volunteers should be able to carry the additional load without interfering with their academic achievement.

Teachers and members of the community will check with the guidance counselor and the principal before students are sought for volunteer help to make sure that the students can afford academically to undertake the additional responsibility.
