Distribution of Materials Through Students

In order not to use the time of the schools, the pupils, and the parents for non-school purposes, the policy of the Gulfport School District for the distribution of outside materials and communications to the homes through pupils will be kept to a minimum and confined to sources dedicated to the interests of boys and girls. The Superintendent (or designees) will approve all outside materials distributed to pupils and parents.

All requests from groups or individuals to distribute materials in the community through pupils, with the exception of those listed below, shall be denied.

EXCEPTIONS:

1. PTA and Scouting materials
2. Educational institution materials
3. Materials pertaining to activities of the city/county recreation program/
Adopt-a-School Partners
4. Public health and National Defense
