

Descriptor Term: RELATIONS WITH PLANNING AUTHORITIES

Descriptor Code: LDAN

Rescinds:

Board Approved: 9/19/88

Previously Approved:

Any responsible long-range development plan must include provisions for school land and facilities. Plans must take into account the impact which industrial development, new or revised transportation corridors, altered population density may have on existing school facilities and the district's general capabilities to cope with such factors.

LEGAL REF.: Mississippi Code, S37-47-1, et seq.
